Subject: Proposed Homeless Tent Camp 2/4/16
in Puamana/Launiupoco area.

Dear LUC Committee Members,

My apologies for hand writing this. My computer is down tonight. LUC FAX 808 587 3827

I am an 14 year resident of Maui, an 11 year resident of Makila Phase 1, Launiupoco & a 28 year resident of Hawaii. I love Maui + Hawaii!

I believe that West Maui land + their associates/partners in the "Tent City" proposal are seeking to skirt a very important State Zoning issue.

Essentially the "Tent City" proponents are attempting to effect a Zoning change in the future, via a questionable + possible illegal initial "Sub Division" maneuver. The parcel in question for the "Tent City" is far less than the 15 or 20+ acre parcel it sits on, yet is clearly part of that larger 15 or 20+ acre parcel. This triggers, by law, the requirement that this "proposed change" is now required to go before the State of Hawaii LUC. The proper correct + legal forum. I clearly object to what the Tent City proponents request.

Thank you
