Being also a portion of Parcel 5-A Kahoma Stream Flood Control Project

**INTERVENOR'S RESPONSE TO STATE OP JOINER MOTION TO RECONSIDER
DECISION & ORDER ADOPTED JANUARY 14, 2013;**

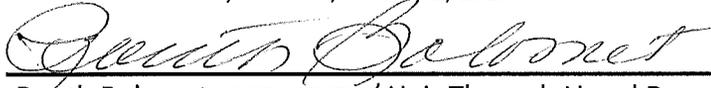

On February 22, 2013 it was explained to me how simply filing my documents with the LUC and copying all parties was not officially entering my filings onto the record. I was told that I failed to properly ask to put my filings, evidence, exhibits and testimony into the record even though during discussions when Intervener Michele Lincoln asked to put her evidence into the record she was told and I thought I was told that it will be addressed as we submitted the evidence. Through the confusion I assumed the chairperson would let me know if the evidence was not going to be accepted so I didn't ask to do anything more after I submitted my stamped copies.

At the February 22, 2013 hearing a motion was made to allow me to submit all my documents and testimony into the record that will include the questioning of Cultural Practitioner Michael K. Lee on March 7, 2013. So that I do not forget to say the proper phrase for submission of my documents, I will make a motion that I be allowed to do that now so no one forgets and no mistakes are made on my behalf.

Therefore, I, Routh Bolomet, Intervener, ask the Commission to enter into the record any evidence, exhibits, filings and /or testimonies that I or Public Testifyer Clare Apana may have incorrectly submitted during the evidentiary portion of the hearings; I respectfully ask that they be allowed to go onto the record in its correct form as I am being allowed to do by *Platsky v. C.I.A.* 953 F2d. 25; *the court errs if court dismisses the pro se litigant without instructions of how pleadings are deficient and how to repair pleadings.*

I also would like to thank the commission for allowing me the time to repair my deficiencies.

DATED: HONOLULU, HAWAI'I, MARCH 1, 2013

Routh Bolomet, INTERVENER / Heir Through Lineal Descendency
