**KO OLINA DEVELOPMENT, LLC'S BOAT
LAUNCH RAMP SIXTH STATUS REPORT**

KO OLINA DEVELOPMENT, LLC ("Petitioner") submits this boat launch ramp Status Report to the State Land Use Commission ("Commission") pursuant to the Commission's request at its August 28, 2009 status report hearing in the above-referenced docket.

I. INTRODUCTION

On August 28, 2009, the Commission held its meeting at Leiopapa A Kamehameha, Conference Room 405, 235 South Beretania Street, Honolulu, Hawaii, for a continued status report on Docket No. DR08-36 Ko Olina Development Company pursuant to Condition 4 of the Findings of Fact, Conclusions of Law, and Decision and

Order filed November 19, 2008, ("Declaratory D&O") in the matter of the petition for a Declaratory Order in the above-referenced docket.

At the conclusion of the August 28, 2009 status report presentation the Commission orally requested that Petitioner submit a quarterly written status report on Petitioners progress on relocating the boat launch ramp in the marina. Petitioner's First Status Report was filed with the Commission on December 4, 2009. Petitioner's Second Status Report was filed on March 15, 2010. Petitioner's Third Status Report was filed on June 14, 2010. Petitioner's Fourth Status Report was filed on September 13, 2010. Petitioner's Fifth Status report was filed on December 28, 2010. Petitioner hereby provides its Sixth quarterly status report to the Commission.

II. STATUS

Petitioner is currently in compliance with the Boat Ramp project schedule submitted to the Commission on July 13, 2009.

Petitioner's consultants are currently working on the boat launch ramp design based upon the soil borings, soil investigations, topographic survey and bathymetric survey on the ramp area, boat launch area, parking lot and drainage area.

The preliminary master plan continues to be revised and refined to address the results of the soil investigations, various surveys, specific site characteristics, as well as to accommodate where feasible public and boater comments.

Petitioner's consultants have met with the City Department of Planning and Permitting ("DPP") and have finalized the Conditional Use Permit ("CUP") for the Boat Ramp project. Petitioner submitted the CUP application to the City Department of Planning and Permitting in February ahead of schedule.

Petitioners submitted the Department of Army Permit ("DOAP") which is a requirement for the Boat Ramp project to the Army Corps on September 24, 2010.

III. CONCLUSION

Petitioner will continue to provide its quarterly report on the status of the boat launch ramp at the end of the next quarter.

Dated: Honolulu, Hawai'i March 10, 2011.
