Dear Mr. Orodener:

The Office of Environmental Quality Control is in receipt of your July 1, 2014, transmittal letter and attachments regarding the subject project. Among the materials submitted is a distribution listing of recipients to receive an electronic file or hard copy of the draft environmental impact statement. Pursuant to Section 11-200-21, Hawai'i Administrative Rules, the Office of Environmental Quality Control is required to verify the accuracy of the distribution list.

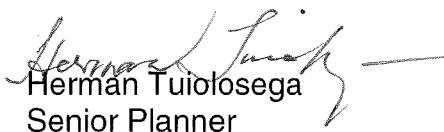

Some of the contact names listed in the different departments have changed. Here are a few examples:

- Office of Planning – change Leo Asuncion, Acting Director
- Department of Hawaiian Home Lands – change to Jobie Masagatani
- Clean Air Branch, Department of Health – change to Nolan Hirai

We advise the applicant to make sure that the different contact names are accurate and up to date before distributing the Draft EIS.

Please call at (808) 586-4185 if there are any questions.

Sincerely,

Herman Tuiolosega
