We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive, sprawling expansion along the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

â€¢ Work in good faith with our community and State of Hawaii to adopt and implement a conservation alternative for the undeveloped portions of the Turtle Bay Resort property.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the inadequate Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Carefully review the SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay over 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause why the boundary reclassification should not be revoked for failure to perform conditions, representations and commitments within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original agricultural classification.

Send our aloha and support to Senator Clayton Hee and Governor Neil Abercrombie for:

â€¢ Reconvening the Turtle Bay Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Carefully review the SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay over 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause why the boundary reclassification should not be revoked for failure to perform conditions, representations and commitments within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original agricultural classification.

Send our aloha and support to Senator Clayton Hee and Governor Neil Abercrombie for:

North shore is a beautiful place with its country feel. Doesnt the island have enough resorts and tourist attractions on the south side. Many residents of the north shore have to deal with the amount of traffic currently without the expansion. Living in kahuku was a great time in my life and i would hate to see it develop to something superficial. Keep the country COUNTRY

They need to keep the country country... Our island is already so over crowded and now they want to take away agriculture land and push some of the local farmers out just so they can build and make money. THIS NEEDS TO BE STOPPED!!!!

I am a long time visitor to the North Shore. I love the rural culture of Oahu's North Shore. It is a spectacular place. The North Shore is a break from the urban sprawl of Honolulu area. If Turtle Bay is allowed to expand as it wishes, it will ruin the recreational aspects, destroy the community, and make Oahu less appealing to the tourists who appreciate the North Shore for it's beauty and respect local culture.

please no expand.. this is our aina! sure you might bring in more revenue to the islands but in the end you are really just hurting the natural beauty of where we call home. I am from kauai and when i see O'ahu I can't help but feel ashamed of how all the buildings have grown over the years. Think about the keiki and all the ohana's you will end up hurting in the process.

Probably the ONLY parts of Oahu that have been untouched. Probably the only parts of Oahu that still inspire. It is the only parts of Oahu that I can go to and remember all the great memories my family and I share. Kawela bay is a very cherished bay to my family and I, we have been raised fishing and gathering there. This bay is always there for our people, as times and people change this bay does not. Most of Oahu is over developed and we have few places left to run to and get away and also provide for our families. I'm sure the tourist also love the beauty of Kawela bay and would not want it covered up with buildings. Please keep our bay Righteous, everything is already gone or private property. I'm sure there are other ways to find income for our home. Aloha.

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive, sprawling expansion along the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

â€¢ Work in good faith with our community and State of Hawaii to adopt and implement a conservation alternative for the undeveloped portions of the Turtle Bay Resort property.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the inadequate Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Carefully review the SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay over 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause why the boundary reclassification should not be revoked for failure to perform conditions, representations and commitments within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original agricultural classification.

Oahu is overdeveloped, too crowded, and too much traffic! if we keep developing at this rate we will end up like New York City! STOP THIS DEVELOPMENT PLEASE!!! That entire coast is pristine beaches and habitat for sea life and birds! They will ruin it by buidling there!
