---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Apparently greed rules. No well meaning individual wants to do something that increases their wealth at the expense of the residents and the environment of a small island in the middle of the Pacific ocean.

Sincerely,

Bonnie Mc Fetridge [bonmcfet@aol.com](mailto:bonmcfet@aol.com)

To whom it may concern,

Replay Resorts continues to ignore the facts regarding the impact of its proposed expansion of Turtle Bay. The selfish and careless desires for expansion and profits will not only ruin the very unique environment and culture of the North Shore, it will also leave a tarnished legacy for Turtle Bay.

Replay Resorts wants to sell it's services to vacationer's so, like their motto says, they can "Experience true Hawaii". Why would you want to DESTROY the very thing you are trying to sell? Your actions are also going against the very words your website is promoting through your "Vision for Turtle Bay" and "Foundation" initiatives.

If you truly care about letting your guests experience "true Hawaii" then I would highly recommend answering all of the questions and concerns in the DSEIS with clarity and transparency. If you cannot do this adequately, then you are not only hurting those who love and cherish this unique land.. You'll be hurting your very own business model and bottom line. Every business needs to respect it's customers and it's neighbors! I suggest you do the same..

Sincerely,

Matt Johnson

(concerned North Shore resident)

Sincerely,

Matt Johnson    [mjjcanaveral@gmail.com](mailto:mjjcanaveral@gmail.com)

We must be one in heart to preserve the Hawaiian culture, which is everyone who lives here now, and our ways of life and living developed from nature and the land. Fishing, walking, sitting, wandering, farming, eating, gazing at the wild shoreline and walking unbarred forests and open spaces is still the same feeling today as it was for the people in the days of old. It needs to be there for all the future.

Sincerely,

Shari Rezai [Sharirezai@yahoo.com](mailto:Sharirezai@yahoo.com)

To all who have the power to deny the spread of the Turtle Bay Resort,

I humbly ask you to please, please deny them such access. I was raised in Big Island, where we are fortunate not to have the sprawling cities that pockmark O'ahu's natural beauty. As a student at U.H. Manoa, I have learned a lot not only through my classes, but by getting to know professors and classmates outside of the classroom. I am happy to say that most of the people I know truly care about the 'aina and don't want to see any more resorts, timeshares, seasonal condos, etc. looming on the horizon. These islands have been through enough; Hawai'i, as I am sure you all know, has an extremely delicate island ecosystem, consisting of many endemic plant and animal species. I wasn't even aware of these expansion plans until I grabbed a Weekly last week and read the articles. It saddens and disgusts me that the habitats of native birds, monk seals, and various plants might be ripped apart just so rich tourists can spend a weekend throwing trash in our oceans. Not only should the nature of the ecology in this area be kept in mind, but think also of the many downsides to resort development; greater traffic, more pollution, etc. I implore you to think about these issues. The tourists already own Honolulu -- don't give them more than that. Furthermore, if they want to visit Hawai'i, why not plan a nature conserve that will essentially bring in some money whilst helping our island? Mahalo.

Sincerely,

---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Enough is enough. Oahu has endured enough decimation. Do not allow Turtle Bay Resort to spread, the money won't save Oahu, but just create a bigger problem for local residents.

Sincerely,

Leisa King [lcking@hawaii.edu](mailto:lcking@hawaii.edu)

The traffic to and from the North shore is already very crowded..Why would you want to make it more crowded and take away more of the pristine land for high rises.

Enough is ENOUGH.

Sincerely,

Turtle Bay should not expand its current footprint. The two lane Kam. Hwy cannot handle the traffic increase more building would bring.

Sincerely,

Katherine Lee [k\\_b\\_lee@mac.com](mailto:k_b_lee@mac.com)

Save Kawela and Turtle Bays! This project is unsustainable and ridiculous. The people of Oahu don't want it! Stop the development! There will be so much traffic, no one will want to go anyway. Oahu has reached capacity. There has to be a limit to new development.

Sincerely,

---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€” from Kahuku Point to Kawela Bay.

Sincerely,

The corporation involved is not listening to the community OR their guests. Folks come to stay on the NS because it is 'country' and they will not return otherwise. The traffic from Kaneohe to Laie is already ridiculous. Folks that live in the TB and Pupukeya are no longer travel toward Haleiwa on weekends because of traffic. TB has become a negative establishment for the NS residents. TB plans a farm to table restaurant BUT

has terminated the leases of many farmers across the highway and now the lots have been placed up for sale...so where will the farm to table restaurant get the produce from? A new EIS would be beneficial to all...not just for the sake of corporate money....Our Aina is soooo much more important to those of us that reside here.

Sincerely,

Helen McCarthy [hwngds@cs.com](mailto:hwngds@cs.com)

Please do not allow this development to go forward. The impact on all residents of Oahu would be very negative. The roads cannot handle any more traffic. We will all be paying for road expansion in the future if this development is allowed to happen, all for the profit of the current owners. And road expansion will ruin the feeling of "country, and the last place on Oahu to "get away".

Sincerely,

Julianne King      [donking@hawaii.rr.com](mailto:donking@hawaii.rr.com)

We don't need more hotels, condos, people, cars, etc. on the North Shore of Oahu. This is our home not a tourist destination. If you build more roads to accomodate more cars the problem only gets worse. Go back to where ever you came from and leave our home alone

Sincerely,

caroline yossa      cyossa55@gmail.com

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Sincerely,

Sandra Hayes [flyinhaz@hotmail.com](mailto:flyinhaz@hotmail.com)

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands " from Kahuku Point to Kawela Bay.

Traffic is at unsafe, overly congested levels already. There's simply no way the North Shore can realistically handle this increased volume. Imagine what will happen in an emergency/natural disaster. A comprehensive regional traffic study is the very LEAST that should be done. That alone should halt this project.

Sincerely,

Lindsay McGill [lindsaymcgill@mac.com](mailto:lindsaymcgill@mac.com)

Traffic is currently well beyond capacity. Their cynical efforts to conceal their corporate greed machine with supposed benefits to the community can be rendered transparent by simply considering how the land in their possession has been utilized, up to this point. If they had shown the least bit of effort to respect the 'aina, instead of treating it purely as a commodity to enhance their bottom line, whatever the cost to the community and environment, I could condone further development, excited to see how they intend to balance the needs of the native flora, fauna, and community with their own financial considerations. An approach such as this would enrich all of us. I believe all non-native, invasive species should be eliminated and replaced with a rich tapestry of native species. I believe this should be government development policy. I believe I could get behind such a development that balanced the need for native habitat with our own and that of the tourism industry. I believe such an approach would highlight the most incredible collection of endemic species in the world and what makes our slice of paradise unique and special while simultaneously educating visitors and locals, alike, about the struggles our nativity faces to survive.

Sincerely,

Stephen Newman [steviethewonder@hotmail.com](mailto:steviethewonder@hotmail.com)

The north shore of Oahu is not a Hawaiian treasure nor a national treasure. It is much, much more important than that. It is one of the most beautiful places nature created, and in order for nature's investment to remain so valuable, Turtle Bay must keep its investment valuable by preserving what is left.

Sincerely,

Chris Roberts     [c.hall.roberts@gmail.com](mailto:c.hall.roberts@gmail.com)

My girlfriend and I have a place in Hauula but work in town. It is inconceivable that the traffic from Kaneohe to Haleiwa will not be heavily impacted by increased development. Kamehameha Highway is a two lane road that cannot be widened to accommodate more traffic and it already is getting chocked by traffic today before the development has begun. Not to mention of course, Laie and it's plans. This cannot happen. It will impact too many people. Development isn't always good. This time that is absolutely true. This has to stop. Mahalo

Sincerely,

Carl Vasconcellos [jvasco@hawaii.rr.com](mailto:jvasco@hawaii.rr.com)

First of all want to state the eye-sore of the Wind-mills, being a Travel Agent over 20 years, now I have to make excuses why the North Shore has been ruined and the pristine coastline is now lined with these ugly Wind-mills! Do we get a break with these high electricity bills? No, nothing I've heard the Wind-mills in Palm Spring Deserts has killed many birds and is basically a lost also the ones in the Big Island. Helloooo!!! Reality Check and with this Turtle Bay development, you guys need to come down and drive in our daily traffic. Not only is it ridiculous it doesn't make any sense. Keep on developing Honolulu side not ours and keep the rail out of this mass-confusion. Enough is enough you guys keep building our little island is destined to sink. Aren't your pockets filled with enough paybacks. Stop!!!

Sincerely,

Joerline Tronolone [carefreetours@hawaii.rr.com](mailto:carefreetours@hawaii.rr.com)

---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Please scale this back to a much smaller expansion. The infrastructure of the North Shore does not support this. The quality of life off those of us who live here and love the North Shore.

Sincerely,

Gena Whitten [Geawhitten@gmail.com](mailto:Geawhitten@gmail.com)

We are capable as human beings to act as human beings, understanding our role as caretakers of the aina, not exploiters of the very source and supply from the aina, water and air. What is it in us that needs to value money over that which nourishes and sustains us? Not even cockaroaches act in such a manner. We can look almost anywhere and see the imbalance in nature that is caused by the two legged. Even more so on an island we must be mindful that balance is key and over building is destroying our island in a way that if we continue in this way our children and their children will not live in a sustainable environment. Our focus needs to be on growing food and feeding the spirit with the beautiful 'aloha' that Native Hawaiian people have blessed us with. It is time to learn from the original people of this aina and change our mindset to one of loving our land, not killing it. In the same way we need to kokua one another and remember we are all interconnected and interdependent. Enough is enough of taking the beauty and rich resources we are blessed with and abusing and disregarding their sacredness. Please, remember what it means to be human and use your consciousness and gifts to care for, not destroy life. Building more hotels and a 'waikiki' is foolhearted and along with the destruction of a way of life, taking the land that should be used for growing food, farming and other things that help people to thrive, the crime, drugs and other problems that result from this kind of so called 'development' only leave people to live in a very undeveloped way preying upon one another rather than coming together and supporting one another. Remember what it is you love about Hawaii before it is too late because in every way the beautiful Hawaiian culture is destroyed more and more as you build and build. Learn from the Native Hawaiian people and their beautiful culture how to live in harmony and balance with nature and to thrive. This other way is causing heartache and pain in every possible way. Let us evolve into the human beings we are meant to be and do the right thing. Protect the aina, water and air and in doing that learn to care for one another as human beings.

Sincerely,

Barbara Altemus [baltemus@aol.com](mailto:baltemus@aol.com)

Please Please leave something for the people of Oahu. How much do they need? The traffic on Kam hwy is a huge problem. The locals do not travel this 10 mile stretch during the peak hours. And it's still crazy. Weekends and holidays are ridiculous. Surf season, forget it. It's unthinkable what would happen if this development goes through. I work in the tourist industry and I travel over an hour to work so I can return to the "country". This will spoil the unique place that the North Shore is.

Sincerely,

Charlotte Murphy [kczmurphy@msn.com](mailto:kczmurphy@msn.com)

I am from Maryland and I visit Oahu once or twice a year. My favorite place is the North Shore/Haliwea area, and I would not like to see the area changed into a commercialized tourist area. Please preserve the area and protect the natural resources of the area.

Sincerely,

**Date:** 01/17/2013 10:27 PM

---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€” from Kahuku Point to Kawela Bay.

This development will RUIN the North Shore "Country" experience forever. For the sake of our future generations, please count us as vehemently opposed to this destruction of this special coastline.

Sincerely,

Patrick Holzman [patholzman@hawaii.rr.com](mailto:patholzman@hawaii.rr.com)

Allowing this project to follow through would be a colossal mistake regretted by generations to come. Once you develop the land there is no going back.

Sincerely,

David Druz [ddruz@aol.com](mailto:ddruz@aol.com)

Bigger is not better. Infrastructure is not sufficient to take care of North Shore needs, Water, roads, sewage, garbage. Please do what is right.

Sincerely,

Andrea Jepson [jepsona001@hawaii.rr.com](mailto:jepsona001@hawaii.rr.com)

REJECT,REJECT,REJECT...Everything about this resort complex should be REJECTED and the LAND SHOULD BE RESPECTED!!!!!!!!!!..were is the LOVE and ALOHA in this????..MONEY,MONEY,MONEY..is that really what this world has come to??..NO LONGER THE BEAUTY OF THE LAND IS GOOD ENOUGH FOR YOU PEOPLE???.DO BUILDINGS AND ITS FAKE DESIGNS REALLY BEAUTIFY YOUR GREEDY WANTS FOR THIS LAND?..IS IT NOT GOOD OR COMFORTABLE ENOUGH FOR PEOPLE ALL AROUND THE WORLD TO COME AND ENJOY?..SOON these islands will have NOTHING TO GIVE BACK FOR PEOPLE TO ENJOY!! but your FAKE MAKES!! I have a 5 yr old daughter and I want her to grow up learning to have respect for what the world offers and to be able to enjoy it!..I want to be able to tell her that her future ahead of her can only be of GREAT things..To LEARN,to GROW,to LIVE and ENJOY!..but threw all my hard work of teaching and raising her,I must also prepare her for the doing of FAKE from the people who may not understand the concept of making the WORLD A BETTER PLACE!..and Im sure parents like I myself would totally understand what Im saying!..so ask yourself..is this what you want to teach our children? ..because they are really what you call OUR FUTURE!..think about it!..REALITY CHECK: MONEY WILL LIVE ON EVEN AFTER YOU AND ALL YOUR HARD-WORK MAY JUST FALL APART AFTER YEARS OF DETERIORATE AND BY THEN THERE MAY BE NOTHING LEFT OF OUR ISLANDS BEAUTY..BUT RUBISH!..People from all around come here to the islands BECAUSE of its beauty!

Sincerely,

Kristina Doucett [www.snookiez808@yahoo.com](mailto:www.snookiez808@yahoo.com)

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands "â€" from Kahuku Point to Kawela Bay.

As a former resident of the states of Oregon, and Arizona, I have had the opportunity to experience the huge contrast in levels of pollution, environmental degradation and quality of life in both regions. Due to visionary planning, Oregon has controlled over development and exploitation of the natural beauty of the state. Parts of Arizona, in contrast are congested and polluted, gouged and laid to waste. In Oregon, the Columbia Gorge could have become the site of multiple destination resorts and high end homes, destroying a rare biosphere and geologic wonder. Opal Creek Ancient Forest in Oregon was also saved for the people of Oregon and the world. Why do the people of Oahu have to work so hard to get the attention of their elected officials. Will the history of the selling of Hawaii to the highest bidder by her politicians never end? I am registered to vote in Hawaii, I am well connected to national and state based conservation groups. These organizations are moving to the fight against the Turtle Bay expansion and offering staff support to push for planning to protect the North Shore region. Listen to the people, listen to your heart. Leave something with true meaning for your children, and their grandchildren.

Sincerely,

Anne Clark [annelakeoswego@yahoo.com](mailto:annelakeoswego@yahoo.com)

I am a North Shore resident for over 24 years now. I already dread the traffic as it and I can't even imagine how can possibly get after all this project is done.

Also the trash we see all the way around the North Shore threw by the tourists is overwhelming. Isn't enough all the marine debris that Kahuku point collects? Why we don't develop projects to improve the place instead of damage it? North Shore is unique and that is why attracts people from all over the world, We need to KEEP THE COUNTRY, COUNTRY. Mahalo!!

Sincerely,

Claudia Ferrari [hawaii@claudiaferrari.com](mailto:hawaii@claudiaferrari.com)

The beauty of the North Shore would be lost forever if a development this large were to happen. Traffic is already unbelievable. I can't even imagine the grid lock and pollution is would potentially cause. Don't destroy what we came here to enjoy. There is no benefit for the community in such a development as large as this.

Sincerely,

Rochelle Ballard     [ballard.rochelle@gmail.com](mailto:ballard.rochelle@gmail.com)

**Date:** 01/15/2013 11:29 AM

---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

We need some things to stay pristine and keep the look that people imagine Hawaii to look like, or it will just become another Florida.

Sincerely,

marilyn godfrey    rasc al77@hawaii.rr.com

O'ahu doesn't need another Waikiki or Ko'olina. What makes the North Shore so special is its rural character. Leave it for the truly adventurous and inspired to explore its timelessness.

Sincerely,

Timothy O'Connell III      [timoc3@gmail.com](mailto:timoc3@gmail.com)

I think it is totally disrespectful to nature and people living on Oahu to develop any more. Stop, stop and stop already. Don't you developers have enough money? Have you ever been to the place you are trying to destroy? It is a true crime what is happening here and everywhere else on our planet. Stop the greed.

Sincerely,

Petra Evers      [Petronellalanikai@yahoo.com](mailto:Petronellalanikai@yahoo.com)

---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Please do not build more at Turtle Bay...

Sincerely,

Alan Meserve [alanmeserve@gmail.com](mailto:alanmeserve@gmail.com)

Hawaii (Oahu) is not Hawaii without having the North Shore retain it's country character (what is left of it anyway). Oahu already has a "town and country" landscape which is part of it's appeal. The traffic will be unbearable, the air, water, and land will suffer beyond repair. Remember, It's a "small island".

Aloha,

Sincerely,

Richard Zarbetski      [Zarbetski@hotmail.com](mailto:Zarbetski@hotmail.com)

Aloha,

I am a science teacher (and civil engineer) teaching a class in Environmental Science for students of our Hawaiian Academy at Farrington High School in Kalihi. I have been discussing impacts of development on the future of my students and have brought the proposed Turtle Bay development plans to their attention. I am personally very concerned about even the reduced plan now being proposed, in that, I don't think the larger impacts on the entire island of O'ahu are being adequately addressed or mitigated, so this development would ultimately affect my students and myself. Therefore, I ask that all development plans for Turtle bay be scaled down to remain within the currently-developed footprint.

My students' comment is, "Don't try to make another Waikiki!"

Respectfully and with aloha and concern for the 'aina,

Jonathan Lott (teacher)

Kaylee Rowe, Mason Cornelio, and Randon Silva (students)

Sincerely,

Jonathan Lott [lottj001@hawaii.rr.com](mailto:lottj001@hawaii.rr.com)

I am a North Shore resident. I believe the Defend Oahu Coalition has done some seriously needed research and has made some thoughtful and supportable requests. I especially support the general principle of going back and starting over -- the goals and plans agreed to in 1986 no longer apply and should NOT be grandfathered in. A new look from the perspective of 2012 and beyond should be taken!

Sincerely,

Patricia Robinson      [robinsonp007@hawaii.rr.com](mailto:robinsonp007@hawaii.rr.com)

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Enough is enough. Please help to preserve this pristine natural coastline from sprawling development.

Sincerely,

Christopher Pate [muchaaloha@yahoo.com](mailto:muchaaloha@yahoo.com)

---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€” from Kahuku Point to Kawela Bay.

We have seen Waikiki, we have seen Princeville, and we don't want that happening at Turtle and Kawela Bays.

Sincerely,

Dale Evans [evans@hawaii.edu](mailto:evans@hawaii.edu)

Kawela Bay, right next to Turtle Bay is as pristine now as it was when God created these islands.. Money is the only thing driving this project, the only jobs for North Shore folks will be , in the majority, as maids and waiters , etc. The traffic is already horrible, a two lane road designed in the thirtys, is supposed to handle freeway type traffic? The original Kui Lima hotel was supposed to have a twenty year life, and here we are.. Please stop this project before it's too late.. Mahalos..

Sincerely,

Alan Sitt [alansitt@yahoo.com](mailto:alansitt@yahoo.com)

REALLY? DEVELOP THE NORTH SHORE? Can I give you some heartfelt personal advice? Any of you involved in or advocating this selfishness --- you seriously need to get over yourselves. Can any one person be so self-involved as to believe they are entitled to enrich themselves through FURTHER destruction of HAWAII?? I have no idea. Maybe you could mow down every living thing on the North Shore if it made you just a little bit richer, and destroy one of the most beautiful, legendary places on earth, and still sleep like a baby. If that's the case, then I would urge you to look at the quagmire John MacAfee and Moloka'i Ranch found themselves in over the La'au Point development on Moloka'i. How'd that turn out for them? And they were trying to develop their OWN LAND. On an island with ridiculously high unemployment, when they had roughly half the population's enthusiastic approval. If you don't already know all about it, I would suggest that you at least Google it and read a bit.

Sincerely,

Brian Bennett     [cptbennett@aol.com](mailto:cptbennett@aol.com)

---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Sincerely,

Patty Cline [patty@clinegroup.net](mailto:patty@clinegroup.net)

The largest asset in Hawaii is the land. It is sacred and should be treated as such. You cannot undo the development not can you reverse the deleterious impact it will have on all life, human, animal, plant, microorganisms that are vital to ecosystem. If you spoil the natural beauty of the island as you propose, you will be destroying the greatest asset you have thus decreasing appeal and draw for visitors.

Sincerely,

Dr. Nathaniel Malo      [nathaniel.malo@gmail.com](mailto:nathaniel.malo@gmail.com)

I spent my summers there as a child and enjoy taking my family there to enjoy the undisturbed natural beauty. I am against the persistent efforts of developers to build hotels that destroy our traditional way of life and for which there is inadequate infrastructure, including transportation and sewage. Unfettered development of this area must be stopped.

Sincerely,

Carol Titcomb [carolth@hawaii.rr.com](mailto:carolth@hawaii.rr.com)

---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

please preserve this beautiful spot for future generations

Sincerely,

vicky hoff [vickygracehoff@gmail.com](mailto:vickygracehoff@gmail.com)

The island of Oahu is one of the most beautiful places in the US. We need to preserve the beauty of the North Shore. More building will only destroy the coastline, the turtles and create more traffic. Leave the North Shore as it is. Downtown Honolulu has enough resorts and hotels. Lets keep the North Shore country!

Sincerely,

I support the conservation of our undeveloped lands on the No. Shore from Kahuku Point to Kawela Bay.

There are plenty of resort accommodations on Oahu and many that are not filled. The North Shore should be left in it's natural state and agriculture would be a sustainable alternative as compared to the concrete hotel proposed alternative.

Sincerely,

Doreen Yarson [dhawaii01@yahoo.com](mailto:dhawaii01@yahoo.com)

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands "â€" from Kahuku Point to Kawela Bay.

My husband and I do a fair amount of traveling and will continue to do that and when we go to Hawaii, it won't be because of massive resorts but because of its NATURAL beauty. Eco-tourism is sustainable and last time we did this we spent the equivalent of a good compact new car. Turtle Bay Respect your name sake.

Sincerely,

Clara Potapa [cpotapa@gmail.com](mailto:cpotapa@gmail.com)

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Sincerely,

Why does open space have to mean it's not being useful? The fact that its open space defines it as exactly that; for the environment, culture, discontinued exploitation of resources. Most of the handful of jobs will go to transient Haoles, so where's the benefit to the LOCAL community? Lose lose situation for everyone except some greasy fat ass sitting in a golden tower on the mainland. Leave Kawela Bay the fuck alone.

Sincerely,

daniel lum [dlum003@gmail.com](mailto:dlum003@gmail.com)

Stop overbuilding and destroying what makes Hawaii a destination for your capital gain. There has to be something left for locals and tourist alike. At this rate Oahu will as Hawaiian as Disneyland.

Sincerely,

If everything in the future of our world is about money and constant expansion and growth, we will never grow as a human race. The current population is becoming less and less connected with nature and the earth. Please use your power and money as a big business to stop development, be happy with the current status of your riches, and educate the future generations about the necessity and beauty of nature. No more development. Thanks

Sincerely,

Charlesc Wilson      thecleanline@yahoo.com

As owners at Kuilima Estates East we are very much against any new development at the Turtle Bay Resort. Traffic is already a major problem. This development would cause more congestion than Kam Hwy. can handle. The beaches are beautiful and should be left alone. The monk seals that come ashore will be negatively affected by development.

Sincerely,

Nancy Noll [jimmynoll@yahoo.com](mailto:jimmynoll@yahoo.com)

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Please, do not build anymore hotels on the North Shore, Oahu!

Sincerely,

Jessica Bourque      [safiremoon@hotmail.com](mailto:safiremoon@hotmail.com)

---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

The proposed development/expansion is so very, very wrong on many different levels.

Sincerely,

Heather Dudock [heather\\_dudock@hotmail.com](mailto:heather_dudock@hotmail.com)

I live in my condo at Turtle Bay and often talk to tourist who do not want you to develop this pristine, quiet vacation spot. You're an outstanding group of the engine that is running America and that engine is greed. You are so driven by greed that you don't listen to the people. You also have no regard for our lack of infasture and the cost it will be to we, the tax payer. Shame on you

Sincerely,

Ruth Sifton [Ruthmsifton@gmail.com](mailto:Ruthmsifton@gmail.com)

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Seems the Turtle Bay Resort plans will increase sprawling on the North Shore causing unknown effects on the community at large. One of the greatest things going for this community is the feel. Adding additional buildings will affect the "feel" that many vacationers and residents love about the North Shore.

Sincerely,

Matthew Imlach [mattimlach@gmail.com](mailto:mattimlach@gmail.com)

We do not need any more hotels or resorts on this island. It will surely destroy the beauty of this wonderful place. There will be so much anger flowing through this state and this will be all your fault. Please don't do this because this is an extremely big mistake. You can't build on land that you weren't even born in. You have no idea how it feels to have your home land ruined by construction. I suggest that you cancel this and stop being selfish.

Sincerely,

John Johnson      pierrcef@gmail.com

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€” from Kahuku Point to Kawela Bay.

Sincerely,

Mary Dizon [marydizon@hawaii.rr.com](mailto:marydizon@hawaii.rr.com)

Thank you for the opportunity to provide comment.

The rural nature of the North Shore will be negatively impacted by the size and scope of this development. There are ways and means to minimize, avoid, and mitigate impacts associated with construction and use of the development that have been addressed in the SEIS. However, the environmental impact assessment required of developments in the State may not require an assessment of long term cumulative impacts this development will have combined with other proposed developments in the region (Envision LÃ© development plan, Kamehameha School development in Haleiwa) and the island at large. Cumulative impacts that should be considered are road usage, sewage production and disposal, school system capacity to handle additional students, electricity usage and grid capacity, increased usership of shorelines and ocean fisheries resources, etc.

As a resident of the North Shore, I am reminded on a daily basis how lucky I am to live here. All I have to do is walk to the beach where I see sea turtles, monk seals, coastal reef fish, magnificent waves, shorebirds, and incredible awe-inspiring sunsets. Neighbors and I are often found grinning on the beach, murmuring "Lucky we live North Shore". We are truly lucky to live in this rural part of the island, away from the madness of Town, whether it be Honolulu-town or Kailua-town. If I didn't have to leave my neighborhood I would be largely unaware of the increasing development around me, except that every time I walk to the beach I cross Kamehameha Hwy. and am reminded by the brisk flow or dead-stop of traffic. Traffic has become a daily problem for North Shore residents. Although the development will bring large benefits in the forms of additional tax base, additional construction jobs, additional long term jobs, it along with the other large development plans in the area will cause exponential traffic and congestion problems, and further reduce the rural nature of our community and the quality of life of here.

A review of the marine resources survey (Oceanit, Sept. 2012 in DSEIS pp. 1146-1192) indicates that a marine resources survey comprehensive in scope was conducted. However, the study lacked regarding coverage of marine biological resources. With only three transects (each only 100 ft long and 6 ft wide for fishes and 1.3 ft wide for benthic cover) surveyed for marine biota in each of the three bays, the report poorly represents overall bay marine biological resources. The size of the three bays combined is nearly 100 acres. The transects were situated in parts of the bays where sediment impacts are known to occur, evidenced from aerial images of silt plumes and siting of all three transects in Kuilima Bay and Turtle Bay in front of known sources of runoff, the Kawela Stream outlet and the West Main Drain, respectively. In Kawela Bay, the transects were split up to cover a larger portion of the Bay.

Despite difficult survey conditions in these bays, rough seas and poor water clarity, further marine biological surveys should be conducted to improve our understanding of the coral and fish communities in these bays. Marine biological surveys should cover a broader area of each bay and should include coral colony size class distribution, fish species, fish abundance, and fish biomass.

If development of any sort is allowed, the following mitigation activities, or similar, should be made contingencies of the development permitting.

1) Improve water quality conditions inside Kawela Bay which will improve growing conditions for the significant coral community in this bay through a) restoration of the natural flow of Kawela Stream to flow out at the West Main Drain in Turtle Bay and b) conduct watershed restoration measures to reduce future sediment and nutrient loads from further degrading Kawela Bay. This may include improvements to management of runoff from large agricultural lots on the mauka side of Kamehameha Hwy.

2) Create an ocean awareness campaign that educates mainland and foreign visitors, children, and locals alike about our ocean resources and ways and means that the resort is working to protect these resources and ways and means guests and beach users can and are protecting these resources. This campaign could include guest speakers at the resort, an ocean awareness in-house tv channel, educational tours, ocean awareness activities, ocean awareness articles on the website, and ocean awareness signage around the resort grounds and shores.

3) Manage fishing through the creation of a marine protected area at whichever bay would result in the greatest benefit to fish stocks and therefore long term benefit to fishers. The additional fish surveys mentioned above would aid in determining which of the three bays would best serve this purpose.

Best of luck to all involved with this permitting / decision-making process. I hope that everyone will keep in mind the long-term cumulative impacts of the various large-scale North Shore development plans on the rural lifestyle and our quality of life when deciding how to proceed with this project, and if the Turtle Bay expansion is permitted will consider mitigation methods suggested.

Again, thank you for the opportunity to provide comment.

Sincerely,

Katharine Laing

North Shore resident

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands " from Kahuku Point to Kawela Bay.

Turtle Bay is a very special natural resource, and I believe Oahu needs to protect it, not develop it! Please return its classification to the original agricultural classification, and hold a public hearing on the North Shore of Oahu so that local residents can comment on the process.  
Aloha, Laura Schronen

Sincerely,

Laura Schronen [lauralove37@yahoo.com](mailto:lauralove37@yahoo.com)

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

No, no, no. Keep the country, Country!

Sincerely,

Guilherme Tamega [gtamega@gmail.com](mailto:gtamega@gmail.com)

---

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands " from Kahuku Point to Kawela Bay.

please keep the North shore was it is !! Do we need another Waikiki ?? once we break nature like ocean and coral

they will never get back again ... can you imagine how long it took to be like that ? how can we break them in one hour. Everyone knows that . Nature is more important than someone's profit ! Please keep country as country !

Sincerely,

Mayumi Swaja [pua\\_mami@yahoo.co.jp](mailto:pua_mami@yahoo.co.jp)
