We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive, sprawling expansion along the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

â€¢ Work in good faith with our community and State of Hawaii to adopt and implement a conservation alternative for the undeveloped portions of the Turtle Bay Resort property.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the inadequate Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Carefully review the SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay over 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause why the boundary reclassification should not be revoked for failure to perform conditions, representations and commitments within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original agricultural classification.

Send our aloha and support to Senator Clayton Hee and Governor Neil Abercrombie for:

â€¢ Reconvening the Turtle Bay Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€” from Kahuku Point to Kawela Bay.

Sincerely,

The north shore is an amazing place and should not be valued for its price tag but rather its natural beauty. It is shameful to destroy such beautiful land for the benefit of yourself to make a dollar.

The North Shore is busting at it's seams (please join me in Turtle Traffic). We cannot afford to turn more valuable farmland into large developments that nobody wants or needs. Keep the country at least as it is, it once was very beautiful... Mahalo

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause why the boundary reclassification should not be revoked for failure to perform conditions, representations and commitments within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original agricultural classification.

Send our aloha and support to Senator Clayton Hee and Governor Neil Abercrombie for:

â€¢ Reconvening the Turtle Bay Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive, sprawling expansion along the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

â€¢ Work in good faith with our community and State of Hawaii to adopt and implement a conservation alternative for the undeveloped portions of the Turtle Bay Resort property.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the inadequate Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Carefully review the SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay over 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

Once the damage is done, it will not be fixed. A current EIC is necessary. Much has changed in 20 years. We must not accept the DPP working for outside interests. They work for the taxpayers of the City and County of Honolulu. A reasonable person would pause to ask what possible incentive may be responsible for the DPP's stance on using an outdated EIC to allow the ruin of our North Shore.

Sincerely,
