P.O. Box 2359
Honolulu, HI 96804

**DRAFT ENVIRONMENTAL IMPACT STATEMENT
PROJECT NAME: KALOKO MAKAI
TAX MAP KEY 7-3-009:017, 025 (PORTION), 026, AND 028**

Thank you for allowing us the opportunity to comment on the subject Draft Environmental Impact Statement (DEIS). We have the following comments:

2013 SEP 26 A 7:48
LAND USE COMMISSION
STATE OF HAWAII

1. We have noted that there are four alternatives for drinking water source discussed in the Preliminary Engineering Report compared to the three alternatives discussed in the DEIS.
2. The applicant will be required to submit a Water Master Plan for review and approval, showing the estimated capacity of each well, the size of each proposed storage reservoir, transmission facilities, pressure reducing stations, tank inlet control valves, and any other water system appurtenances required. The Department shall make the final determination of the water system improvements that will be necessary.
3. Construction plans, prepared by a professional engineer licensed in the State of Hawai'i, shall be submitted for review and approval.

Should there be any questions, please contact Mr. Ryan Quitoriano of our Water Resources and Planning Branch at 961-8070, extension 256.

Sincerely yours,

Quirino Antonio, Jr., P.E.
Manager-Chief Engineer
