Dear Mr. Shibata:

A 89-646

2015 Annual Progress Report
Change of Zone Ordinance No. 99-96 (REZ 922)
TMK: 7-4-008: 063
Keahuolu Lands, N. Kona, Hawaii Island

LAND USE COMMISSION
STATE OF HAWAII
2015 OCT - 7 P 1:32

We received the above-referenced report on August 7, 2015 in compliance with condition N of Change of Zone Ordinance No. 99-96. Thank you for submitting these materials on behalf of the Queen Lili'uokalani Trust (QLT). We apologize for the delay in responding and appreciate the thoroughness of your reports.

A review of the current Annual Progress Report (APR) and APR's submitted for earlier reporting periods confirm that the performance of the rezoning conditions either remains unchanged from the previous report or QLT will comply or will ensure that its developer complies at the time land development occurs.

Generally, this specific rezoning ordinance does not stipulate a fixed time period for compliance or satisfaction of the rezoning conditions; therefore, its compliance is considered on-going.

The next annual report is due on or by August 19, 2016.

Mr. Michael Shibata
Queen Lili'uokalani Trust
