Re: Special Permit (SPP 14-000162); Applicant Jas. W. Glover,
 to Establish New Quarry (TMK No. 2-1-013: 004 (por.))

Dear Mr. Orodener:

This office represents Jas. W. Glover, Ltd. (Glover) relative to its application for special permit (SPP 14-000162) currently pending before the Land Use Commission (LUC). The purpose of this letter is to advise you that Glover agrees to waive the requirement that the LUC act to “approve, approve with modification, or deny” the special permit application within 45 days after receipt of the County Planning Commission’s decision. See Hawaii Revised Statutes sections 91-13.5 and 205-6(3) and Hawaii Administrative Rules, section 15-15-96(a).

Glover requests that, if possible, the application be set for consideration by the LUC in approximately 90 days.

Thank you for your attention to this matter. If you have questions or require additional information, please call me at 521-9345 (Honolulu direct line) or 808-329-5811, or send an email addressed to rvitousek@ca des .com.

Very truly yours,
