I am in total opposition to this subdivision. As a life long resident of this island I have seen the changes

that have impacted our highways and lives some good, but for the most part not. To me this is not smart growth.

Before homes, we need our highways and roadways updated and improved. Let us not put the cart before the horse.

Seen way to many of those happen on our island. Do it rite and correct. Not after the fact.

Affordable housing has become such a trite word. For whom is it affordable to? I know that anything above

500,00 dollars is not affordable for the local people, my question then is to whom are these homes targeted to.

I say No Adequate Highways, No Homes. Am just saying Not here and not now

aloha
