Re: Dkt. No. A06-771/D.R. Horton-Schuler Homes, LLC

Dear Mr. Orodener:

Pursuant to section 15-15-42, Hawaii Administrative Rules, the Office of Planning ("OP") respectfully requests an extension from July 30, 2015 to August 24, 2015 for all parties to file their responses to Intervenor Friends of Makakilo's Motion for an Order to Show Cause Why the Property Should Not Revert to its Former Land Use Classification ("Motion for Order to Show Cause") filed on July 23, 2015.

The Motion for Order to Show Cause includes 61 exhibits and asks that the Land Use Commission hold a hearing to determine whether the Petition Area should revert back to agriculture. The potentially serious consequences and numerous factual allegations require a similarly serious and thorough analysis by the parties. All of the parties to the case, including the movant, have informed me that they have no objection to this extension.

Given the agreement among the parties, the lack of any prejudice to the parties or the Commission, and the need for a thorough analysis, the OP respectfully requests that all parties be given until August 24, 2015 to file their responses to the Motion for Order to Show Cause.

Sincerely,

A handwritten signature in cursive script that reads "Bryan C. Yee".

Deputy Attorney General
