LAND USE COMMISSION
STATE OF HAWAII
2010 JUN -4 P 12:11

SUBJECT: A10-786 OLOWALU TOWN LLC AND OLOWALU EKOLU LLC

Dear Mr. Davidson:

The Department of Planning (Department) offers the following comments regarding the subject item scheduled for the June 4, 2010 Land Use Commission agenda.

The Department has no objection to the Land Use Commission being the accepting authority for any environmental documents submitted pursuant to HRS 343, for the Olowalu Town State district boundary amendment from agriculture to urban.

The Department believes that the proposed Olowalu Town project may have a significant effect on the environment, and thus an environmental impact statement is warranted.

Thank you for the opportunity to provide our comments. If you have any questions, please feel free to contact me at jeff.hunt@mauicounty.gov or by phone at (808) 270-7821.

Sincerely,

JEFFREY S. HUNT, AICP
