RE: SP92-381 Waikoloa Development Company (Hawai'i)
Amendment to Special Permit No. 833 (SP92-381)
February 24, 2016, Land Use Commission Meeting

Dear Chair Aczon, Executive Officer Orodener and Members of the Commission:

As you know, this firm represents WHC, Ltd, a Hawaii corporation doing business as West Hawaii Concrete, the applicant in the above-referenced matter. Mr. Jason Macy of West Hawaii Concrete and I were grateful for the opportunity to present to the Commission our client's request for an amendment to the subject Special Permit to allow: (i) a time extension to Condition No. 12 (Life of Permit); (ii) greenwaste composting; and (iii) the processing and recycling of Portland cement concrete and asphalt concrete pavement, at the hearing held on February 9, 2016, at the King Kamehameha Kona Beach Hotel in Kailua-Kona, and for the opportunity to respond to the Commission's questions regarding the subject request.

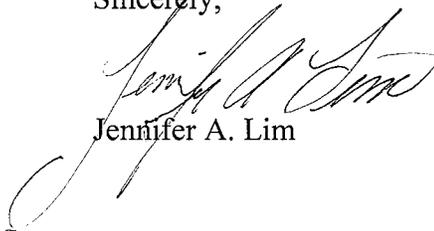

We always appreciate the time that the Commission and its staff put toward such matters. The Commission's vote to approve the requested amendment was essential for West Hawaii Concrete to continue its business in Waikoloa.

Mr. Daniel Orodener

The Commission is scheduled to meet at the Maui Arts & Cultural Center on February 24, 2016 to adopt the written order approving the requested amendment. This letter is to notify you that Mr. Mel Macy of West Hawaii Concrete will be attending that meeting without legal representation. Mr. Macy is familiar with the record in this matter. As you may recall, Mr. Macy was not able to attend the Commission's meeting in Kona on February 8. He therefore wishes to have an opportunity to thank the Commission in person for approving the requested amendment.

Please feel free to contact me if you have any questions or concerns.

Sincerely,
