Dear Sirs,

I am a resident of South Maui and I strongly urge you to confirm that Piilani Promenade may proceed under its current approvals. The free Piilani Highway intersection improvements at Kaonoulu and the street extension as part of what will one day be the completed Upcountry highway make the project a great benefit to the State. The shopping center too is a great idea. Our family will greatly enjoy all the benefits of this project. Thank you for your time.

Sincerely,

Ken Gift

To whom it may concern,

I am writing today to show my support for the Piilani Promenade Maui Project. I will be unable to attend the meeting on February 7th. I think having an outlet in Kihei would be a nice addition. We need something like that. Right now on Maui the only option for shopping is Kaahumanu shopping center for the everyday shopper. Currently the only other shopping centers on Maui are high end retailers that are out of budget for many people.

This new Project would create jobs and opportunity for the Maui. Right now due the limitations people have to shop online or off-island. Why not have them shop here and keep Maui's money on Maui. In addition, I feel those opposed to this project are primarily individuals who are not full-time residents of Maui. Why should they be given a vote of higher priority?

Thank you for your time. I look forward to seeing the completion of this project.

Sincerely,  
Mandy Santos
