Dear Honorable Chairman and Members:

**Annual Report on Land Use Commission
Docket No. A84-574 / Mauna Kea Properties, Inc.**

In compliance with Condition No. 3 of the Decision and Order dated Dec. 6, 1994 in Docket No. A84-574, we are submitting on behalf of Mauna Kea Properties, Inc. ("Petitioner") this annual report on the status of the project and on progress in complying with the conditions imposed.

I. BACKGROUND AND GENERAL PROGRESS OF THE PROJECT

The property, which is the subject of Land Use Commission (LUC) Docket No. A84-574, consists of approximately 399 acres of land at Ouli 1, South Kohala, Hawaii. The project is a portion of the former 539-acre South Kohala Resort, also formerly known as the Hapuna Beach Resort, and is being developed as a golf course/residential community. The Uplands at Mauna Kea is now part of the overall Mauna Kea Resort.

The property originally consisted of 10 large development parcels. Parcel B is the site of a single-family residential project named Moani Heights at The Uplands. Parcel C includes 'Apa'apa'a Heights at The Uplands, a single-family residential project; and The Kumulani at The Uplands, a condominium project. All three projects have sold out and there have been resales.

Parcel G/H is being developed by Moana Ikena LLC as The Waiula'ula at Mauna Kea Resort. Construction is nearing completion on the 47-acre parcel project, which will encompass 102 homes, an amenity center, swimming pool, and spa. The construction of two residential units remains to be completed.

Parcel F remains under the ownership of Moana Ikena Parcel F LLC. There are currently no development plans for the parcel.

Parcel A will be retained by Mauna Kea for its residential services offices.
