Mr. Orlando Davidson
Executive Officer
Land Use Commission
P. O. Box 2359
Honolulu, HI 96804-2359

Dear Mr. Davidson:

2009 Annual Report
Docket No. A06-763
Kapolei Harborside

Kapolei Property Development LLC, an affiliate of the James Campbell Company LLC, submits this second annual progress report to the Land Use Commission ("LUC"), the state Office of Planning, and the city Department of Planning and Permitting pursuant to Condition 20 of the November 20, 2007 LUC Decision and Order in Docket No. A06-763.

The subject of this annual report is the reclassification of approximately 344 acres of land located in Hounouliuli, Ewa, Island of Oahu, State of Hawaii ("Property") from the Agricultural District to the Urban District.

I. Status of Compliance with Conditions

These conditions to reclassification are reproduced boldface followed by a description of the progress being made to comply with them.

1. Wastewater Facilities. Petitioner shall provide wastewater system improvements on the Petition Area as required by the DOH and appropriate City and County agencies.

Petitioner will comply with this condition.

2. Transportation. Petitioner shall reach an agreement with the DOT and the DPP for the construction of a four-lane divided highway meeting applicable state highway standards from the anticipated Palailai Interchange extension to Kualoa Harbor. This agreement shall be executed prior to the submittal of Petitioner's application for subdivision for development of the Petition Area.
Based upon the change in anticipated roadway alignments to be defined by
the aforementioned agreement, Petitioner shall prepare a revised TIAR
subject to the approval and acceptance by the DOT and the DPP. The
TIAR shall not include assumptions that the State will construct traffic
improvements to serve the Petition Area other than improvements to the
Palailai Interchange. Petitioner shall implement traffic improvements and
mitigation measures consistent with the revised TIAR.

Petitioner shall set aside two acres for a DOT weigh station in the Petition
Area. The precise location of the weigh station and the terms of any land
purchase(s) or exchange(s) shall be determined by mutual agreement
between Petitioner and the DOT.

Petitioner shall contribute its fair share for regional transportation
improvements, as required by the City and County's Ewa Highway Master
Plan Impact Fee ordinance (chapter 33A, Revised Ordinances of Honolulu).

Petitioner will comply with this condition.

3. Harbor Security. Petitioner shall enter into an agreement with the DOT,
Harbors Division, under terms and conditions acceptable to the DOT, to
provide an adequate security zone between the Petition Area and Kalaeloa
Harbor. The agreement shall be entered into prior to the commencement of
any construction of individual lot buildings or structures along the common
boundary between the Petition Area and Kalaeloa Harbor.

Petitioner will comply with this condition.

4. Previously Unidentified Burial/Archaeological/Historical Sites. Without any
limitation to any other condition found herein, if any burials or
archaeological or historic sites, such as artifacts, marine shell
concentrations, charcoal deposits, stone platforms, pavings, and walls not
previously identified in studies referred to herein, are discovered during the
course of construction of the project, then all construction activity in the
vicinity of the discover shall stop until the issuance of an archaeological
clearance from the SHPD that mitigative measures have been implemented
to its satisfaction.
Petitioner will comply with this condition.

5. Solid Waste Management Plan. Petitioner shall develop a Solid Waste Management Plan for the Petition Area in conformance with the Integrated Solid Waste Management Act, chapter 342G, HRS. Petitioner’s Solid Waste Management Plan shall be approved by the City and County Department of Environmental Services. The Plan shall address and encourage awareness of the need to divert the maximum amount of waste material caused by developments away from the City and County’s landfills.

Petitioner will comply with this condition.

6. Air Quality Monitoring. Petitioner shall implement soil erosion and dust control measures and participate in an air quality monitoring program for the Petition Area as specified by the DOH.

Petitioner will comply with this condition.

7. Notification of Potential Harbors Nuisances. Petitioner shall notify and disclose to all prospective buyers and/or lessees of the Project, in the accordance with State law, of the potential adverse impacts of Kalaeleo Harbor operation, such as but not limited to noise, lights, truck and car traffic, dust fumes, odor, temporary construction activities, operations that occur 24 hours per day, seven days per week, and other incidences of harbor operations.

Petitioner will comply with this condition.

8. Notification of Potential Airports Nuisances. Petitioner shall notify and disclose to all prospective buyers and/or lessees of the Project, in accordance with State law, of the potential adverse impacts of aircraft and airport activity from the adjacent airfields at Kalaeleo and Honolulu International Airport, such as but not limited to noise, right of light, emissions, vibrations and other incidences of aircraft operations.

Petitioner shall implement procedures and provide covenants in any grant or transfer of interest in the Petition Area, or portion thereof, to buyers and lessees and to other future owners, lessees or occupants, to release claims against the State of nuisance relating to aircraft and airport operations.
Petitioner will comply with this condition.

9. **Drainage Plan.** Petitioner shall prepare and submit a detailed Petition Area drainage plan to the DPP and the DOT for review and approval. In preparing its drainage plan, Petitioner shall consider and incorporate the drainage requirements for other regional developments within the same watershed.

Petitioner will comply with this condition.

10. **Drainage Improvements.** Petitioner shall construct drainage improvements, including interim detention basins as may be necessary, as a result of the development of the Petition Area, to the satisfaction of appropriate State and City and County agencies, including the DOT, Harbors Division.

Petitioner will comply with this condition.

11. **Water Conservation Measures.** Petitioner shall implement water conservation measures and BMPs, such as use of indigenous and drought tolerant plants and turf and the use of non-potable water alternatives, and incorporate such measures into the landscape planting.

Petitioner will comply with this condition.

12. **Best Management Practices.** Petitioner shall implement BMPs to protect surface and groundwater resources. The BMPs shall be designed to minimize infiltration and runoff from construction and vehicle operations, reduce or eliminate soil erosion and ground water pollution, and employ dust control measures during and after the development process in accordance with the DOH guidelines.

Petitioner will comply with this condition.

13. **Hazardous Materials.** Storage and/or disposal of hazardous materials/wastes on the Petition Area shall be in conformance with all applicable DOH and EPA requirements.

Petitioner will comply with this condition.

14. **Civil Defense.** Petitioner shall fund and construct its fair-share of adequate solar-powered civil defense measures serving the Petition Area as required
by the State; U.S. Department of Defense, Office of Civil Defense; and the City and County Civil Defense Agency.

Petitioner will comply with this condition.

15. **Energy Conservation Measures.** Petitioner shall, to the extent possible, incorporate energy conservation measures and sustainable design measures, such as the standards and guidelines promulgated by the Building Industry Association of Hawaii, the U.S. Green Building Council, the Hawaii Commercial Building Guidelines for Energy Efficiency, the Guidelines for Sustainable Building Design in Hawaii, and the applicable City and County building codes for Energy Efficiency, the Guidelines for Sustainable Building Design in Hawaii, and the applicable City and County building codes, as amended, into the design and construction of the Project and the structures within the Petition Area.

To the extent possible, Petitioner will incorporate energy conservation measures and sustainable design measures, as set forth in Condition 15, into the design of buildings within the Petition Area.

16. **Sinkhole Preserve.** Petitioner shall implement measures to protect and preserve the coral sinkholes within the Petition Area.

Petitioner has installed a new chain-link fence to protect and preserve the sinkholes within the identified preservation area. Petitioner will continue to take steps, as necessary, to ensure the preservation of the identified sinkholes. Petitioner intends to transfer ownership of the sinkhole preserve at a future date to the State of Hawaii.

17. **Completion of the Project.** Petitioner shall complete build out of the Project, including completion of the backbone infrastructure consisting of Hanua Street improvements, drainage improvements, and sewer improvements, by December 31, 2018.

Petitioner will comply with this condition.

18. **Compliance with Representations to the Commission.** Petitioner shall develop the Petition Area in substantial compliance with the representations made to the Commission. Failure to so develop the Petition Area may result in reversion of the Petition Area to its former classification, or change to a more appropriate classification.
Petitioner will develop the Property in substantial compliance with the representations made to the Commission and acknowledges the Commission’s authority to revert the Property to its former classification.

19. **Notice of Change of Ownership.** Petitioner shall give notice to the Commission of any intent to sell, lease, assign, place in trust, or other wise voluntarily alter the ownership interest in the Petition Area, prior to development of the Petition Area.

Petitioner will comply with this condition.

20. **Annual Reports.** Petitioner shall timely provide without any prior notice, annual reports to the Commission, OP, and DPP in connection with the status of the development of the Petition Area and Petitioner’s progress in complying with the conditions imposed herein. The annual report shall be submitted in a form prescribed by the Executive Officer of the Commission.

This second annual report is being submitted in satisfaction of this condition.

21. **Release of Conditions.** The Commission may fully or partially release the conditions provided herein as to all or any portion of the Petition Area upon timely motion and upon the provision of adequate assurance of satisfaction of these conditions by Petitioner.

Petitioner acknowledges the Commission’s authority to release any of the aforementioned conditions.

22. **Notice of Imposition of Conditions.** Within seven days of the issuance of the Commission’s Decision and Order for the subject reclassification, Petitioner shall (a) record with the Bureau of Conveyances a statement that the Petition Area is subject to conditions imposed herein by the Commission in the reclassification of the Petition Area; and (b) file a copy of such recorded statement with the Commission.

Petitioner complied with this condition.

23. **Recordation of Conditions.** Petitioner shall record the conditions imposed herein by the Commission with the Bureau of Conveyances pursuant to section 15-15-92, HAR.
