ORDER DENYING KO OLINA DEVELOPMENT, LLC'S MOTION FOR
RECONSIDERATION OF ORDER GRANTING MOTION TO DEFER ACTION OF
PETITIONER'S STATUS REPORT FILED NOVEMBER 5, 2015

On November 12, 2015, Ko Olina Development, LLC ("Petitioner"), filed a
Motion for Reconsideration of Order Granting Motion to Defer Action of Petitioner’s
Status Report Filed November 5, 2015 ("Motion for Reconsideration"). A Memorandum
in Support of Motion ("Memorandum in Support") was attached to the Motion for
Reconsideration. In its Memorandum in Support, Petitioner requested that the State of
Hawai‘i Land Use Commission ("Commission") issue an order vacating its Order
Granting Motion to Defer Action of (sic) Petitioner’s Status Report ("Order Granting
DR08-36 Ko Olina Development, LLC
Order Denying Ko Olina Development, LLC’s Motion For Reconsideration Of Order Granting
Motion To Defer Action Of Petitioner’s Status Report Filed November 5, 2015

Motion to Defer Action") filed on November 5, 2015, based on the grounds that (1) it fell outside of the 120-day period in which the Commission was required to take action following the close of the hearing on Petitioner’s Petition for Declaratory Order,¹ and therefore the Commission was without jurisdiction to enter further orders in this docket; and (2) it is an order that seeks to enforce the Commission’s Findings of Fact, Conclusions of Law, and Decision and Order (“Decision and Order”) filed on November 7, 2008, in this docket, and it is the DPP, not the Commission, which is the appropriate enforcement agency with respect to the Commission’s orders on O‘ahu.

On November 19, 2015, the State of Hawai‘i Office of Planning (“OP”) filed a Response to Petitioner’s Motion for Reconsideration of Order Granting Motion to Defer Action of Petitioner’s Status Report filed November 5, 2015.

On February 10, 2016, the Commission met in Honolulu, Hawai‘i, to resume the status report meeting on the construction of the boat launch ramp inside the Ko Olina Marina previously held on October 16, 2015,² as well as to consider Petitioner’s Motion for Reconsideration.

¹ The Commission closed the hearing on the Petition for Declaratory Order on August 8, 2008.

² At the October 16, 2015, meeting, the Commission deferred action on the status report for three months and requested (1) that the Commission’s Executive Officer receive questions from the Commissioners that could be addressed in writing by Petitioner and other relevant parties, including the City and County of Honolulu Department of Planning and Permitting (“DPP”), prior to the next scheduled meeting on the matter; (2) that the Commission’s staff and the Commission’s deputy attorney general provide a summary on the historical background on this matter to this Commission; and (3) that Petitioner and the DR08-36 Ko Olina Development, LLC Order Denying Ko Olina Development, LLC’s Motion For Reconsideration Of Order Granting Motion To Defer Action Of Petitioner’s Status Report Filed November 5, 2015
Benjamin M. Matsubara, Esq.; Curtis T. Tabata, Esq.; and Ken Williams appeared on behalf of Petitioner. Also present were Bryan C. Yee, Esq., on behalf of OP and Don Kitaoka, Esq., and Kathy Sokugawa on behalf of the DPP. At the proceeding, the Commission heard public testimony on the matter from Creighton S. Q. Chang, Warren von Arnswaldt, and Rodney Ajifu.

Following the receipt of public testimony, Petitioner summarized the basis for its Motion for Reconsideration. OP thereafter noted its opposition to the Motion for Reconsideration, and the DPP stated that it took no position on the Motion for Reconsideration.

Following discussion, a motion was made and seconded to deny Petitioner’s Motion for Reconsideration because the Commission’s deferral of the status report by Ko Olina to obtain additional information is (1) consistent with the Commission’s practice of requesting status reports on dockets to ensure compliance with the Commission’s orders; and (2) neither an extension of the action the Commission took on the original declaratory order proceeding in this docket nor an enforcement action, and therefore it is well within the jurisdiction of the Commission.

Thereafter, a vote was taken on this motion. There being a vote tally of 6 ayes and 2 fishermen and public boaters in the community engage in further discussion to determine what greater understanding could be reached among the parties in regard to the use of the Ko Olina Boat Ramp.
excused, the motion carried.³

Petitioner, OP, and the DPP then proceeded to summarize their responses to the questions posed by the Commissioners on October 16, 2015, and as reflected in the Order Granting Motion to Defer Action.

Following discussion, a motion was made and seconded to acknowledge Petitioner’s completion of the Ko Olina Boat Ramp in the Ko Olina Marina that is open to the public is in compliance with the Decision and Order filed on November 7, 2008, in this docket, and further to release Petitioner from the requirement of filing written quarterly status reports on the matter.⁴ Thereafter, a vote was taken on this motion.

There being a vote tally of 6 ayes and 2 excused, the motion carried.

ORDER

Having duly considered Petitioner’s Motion for Reconsideration, the oral written arguments by OP and the DPP, and the public testimony, and a motion having been made at a meeting held on February 10, 2016, in Honolulu, Hawai‘i, and the motion having received the affirmative votes required by Hawai‘i Administrative Rules §15-15-13, and there being good cause for the motion, this Commission ORDERS as follows:

³ There are currently eight sitting Commissioners on the Commission. The one remaining seat is vacant.
Petitioner's Motion for Reconsideration is DENIED. The Commission acknowledges Petitioner's completion of the Ko Olina Boat Ramp in the Ko Olina Marina that is open to the public is in compliance with the Decision and Order filed on November 7, 2008, in this docket. Accordingly, Petitioner is released from the requirement of filing written quarterly status reports on the matter.

3 On August 28, 2009, Petitioner provided a status report presentation to the Commission on the Ko Olina Boat Ramp. At the conclusion of the meeting, the Commission requested Petitioner to file written quarterly status reports on its efforts to relocate the boat ramp inside the Ko Olina Marina.
ADOPTION OF ORDER

This ORDER shall take effect upon the date this ORDER is certified by this Commission.
