We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€œ from Kahuku Point to Kawela Bay.

Oahu has a perfect balance of Town and Country. Don't disturb that magic balance by developing the Country part. Tourist will stop coming to Oahu if you do.

Conservation is the only rational option. Not enough information was contained in the DSIES to put anyone in a position to understand the impacts of any of the proposed developments.

My hope is that the developers wake up to the fact that happiness and quality of life doesn't always equate to how much money or buildings someone has. Sometimes less is more. Less developing in this region will make what is already there so very much more. Please respect the people and the aina of the north shore by doing less. What you have now is awesome. Don't ruin it.

This is coming from the far reaches of Aotearoa, me and my ohana think developing the North Shore would be the biggest mistake any government could make in the world...period. The North Shore of Oahu is the epitomy of what Hawaii is all about...being connected to the Land & Sea . I have seen so much development in NZ over the past 20 years and nature has a mysterious way of claiming her raw beauty back often in dramatic and devastating ways...Lets not tempther.....Keep the Country..Country that's why we love the North Shore !!!

We the undersigned-

Respectfully ask the owners of Turtle Bay Resorts, Drew Stotesbury (Replay Resorts/Turtle Bay Resort, LLC) and Lee Sichter (Lee Sichter, LLC) to:

â€¢ Remove any plans calling for massive expansion sprawling the entire coastline from Kawela Bay to Kahuku point from their Supplemental Environmental Impact Statement (SEIS).

â€¢ Seriously consider the preservation plan put forward by the Governor's Turtle Bay Advisory Working Group (TBAWG) and work in good faith with the community to adopt this plan.

â€¢ Consider the cumulative effects of all development being proposed in the North Shore/Ko'olauloa region in their SEIS.

â€¢ Cease using the Ahupua'a concept in a way that is offensive to Native Hawaiian culture.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the Draft SEIS recently submitted by Turtle Bay Resort.

â€¢ Postpone any acceptance of the Turtle Bay SEIS until a comprehensive regional traffic study for the North Shore/Ko'olauloa region can be conducted.

â€¢ Cease granting permits to a developer that is currently being challenged to show cause before the State Land Use Commission.

â€¢ Utilize their discretionary authority to carefully review this SEIS document and not grant approval until all community questions and concerns have been adequately addressed.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause as to why 236 acres of land upzoned from to urban in 1986 show not revert back to its original agricultural classification due to inaction by previous owners for not meeting zoning conditions within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original Agricultural classification.

Respectfully ask Governor Neil Abercrombie to:

â€¢ Reconvene the Turtle Bay Advisory Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€” from Kahuku Point to Kawela Bay.

Respectfully ask City and County of Honolulu Department of Permitting and Planning to:

â€¢ Reject the inadequate Draft SEIS recently submitted by Turtle Bay Resort.

Respectfully ask the Honolulu City Council and Mayor Kirk Caldwell to:

â€¢ Nullify the outdated Unilateral Agreement entered into with developers at Turtle Bay over 25 years ago.

Respectfully ask the State of Hawaii Land Use Commission to:

â€¢ Hold its next hearing in the Ko'olauloa/North Shore region of O'ahu.

â€¢ Order developer Turtle Bay Resort, LLC to show cause why the boundary reclassification should not be revoked for failure to perform conditions, representations and commitments within the allotted time frame.

â€¢ Return the 236 acres of Turtle Bay Resort property classified to Urban District in 1986 to its original agricultural classification.

Send our aloha and support to Senator Clayton Hee and Governor Neil Abercrombie for:

â€¢ Reconvening the Turtle Bay Working Group to enable the State of Hawaii, in collaboration with private, public and nonprofit partners, to implement an innovative approach to protecting the makai and mauka lands â€” from Kahuku Point to Kawela Bay.

As a North Shore resident, I strongly support the efforts of the Defend Oahu Coalition, Aikea Movement, and others to limit environmentally-harmful tourist-oriented development and promote jobs and communities that are inclusive and sustainable.
