PROJECT : PROPOSED PUUNANI SUBDIVISION
LOCATION : AREA OF KEHALANI DEVELOPMENT WAILUKU, MAUI,
HAWAII
TMK : (2) 3 - 5 - 02:002 and 003 (por.)

RESPONSE:

In review of the submitted documents, the concerns from the police perspective are the impacts upon vehicular and pedestrian movement as well as the public's safety.

The developer should take into consideration the ingress and egress of the subdivision, as Kuikahi Drive has been steadily taxed by the Kehalani and the Wailuku Heights Development's traffic. There should be an alternate entry/exit to the subdivision, possibly the Old Waikapu Road that leads to West Waiko Road. At this time it is undetermined when this project will commence.

There are no objections to the progression of this project. It must be stated that all those involved in this project must remain cognizant in maintaining the safety of the general public.

Respectfully submitted for your review and approval.
