Re: Pu'unani Subdivision - EISPN
Wailuku, Maui, Hawaii
(2) 3-5-002: 002 & 003

Dear Colleen:

Thank you for the opportunity to comment on this subject. At this time, our office provides the following comments:

- Because this subdivision will be situated within an area of undeveloped land, the applicant should create some defensible space along the borders of this subdivision to reduce the threat and impact of possible wildland fires upon this subdivision.
- Our office also reserves the right to comment on the proposed project during the building permit review process when fire department access, water supply for fire protection, and fire and life safety requirements will be addressed.

If there are any questions or comments, please feel free to contact me at 244-9161 ext. 23.

Sincerely,
