RE: Docket No. DR12-49 Kunia Loa Farmlands

Dear Mr. Iwamoto:

At the April 5th, 2013 Land Use Commission hearing regarding Docket No. DR12-49 Kunia Loa Farmlands, the Commission voted unanimously to grant a contested case hearing for your Petition. As of this date, per your request, the matter has not been scheduled for hearing.

While we are appreciative of your continued attempts to resolve various issues with the Department of Agriculture, we do not feel it is appropriate to hold the calendar open indefinitely for this matter. We take notice of your request for a continuance submitted in December, 2013.

The Commission would like to schedule a hearing on this docket during our March 27-28, 2014 meeting. Please let us know if this date is acceptable.

As previously mentioned, you do have the option of withdrawing this matter and re-filing your petition at a later date. In any event, this docket will be considered withdrawn if no further action is taken or an agreed upon date for hearing is not arrived at by January 31, 2014.

Should you have any questions on this matter, please contact this office at 587-3822.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. Orodener', with a long horizontal line extending to the right.
