TMK 4-3-01: por. 31

Aloha,

Pursuant to the Condition No. 29 in the Decision and Order in the above reference docket, Maui Land & Pineapple Co., Inc. (“MLP”) is pleased to provide this annual progress report to the Land Use Commission, the Office of State Planning, and the County of Maui Planning Department concerning the current status of compliance with the conditions of approval.
General Project Progress:

The Land Use Commission of the State of Hawaii ("LUC") approved MLP’s petition to reclassify approximately 310 acres of land at Mahinahina and Kahana, Lahaina Maui, Hawaii from Agricultural to Urban for the Pulelehua project on June 22, 2006. This letter is our fourth annual progress report. The Decision and Order sets forth thirty-two (32) conditions of approval regarding the reclassification.

Since LUC’s approval, MLP continues to pursue discretionary governmental approvals for Pulelehua. The Maui County Planning Commission recommended approval to amend the West Maui Community Plan and Land Use Map from Agricultural, Open Space and Park to West Maui Project District (Pulelehua), amend Title 19 of the Maui County Code to establish West Maui Project District (Pulelehua) and change zoning from County Agricultural and Interim Districts to West Maui Project District (Pulelehua). The applications were submitted to the County Council on July 28, 2006 and were referred to the County Land Use Committee for subsequent hearings. The County Land Use Committee held hearings on September 5, 2007 and again on March 12, 2008 and August 20, 2008 to discuss the project. The committee has deferred the hearings until later this year.
