Filing of 1996 Annual Report for LUC Docket No. A89-645/Haseko (Hawaii),

Dear Ms. Ueda:

North Kona, Hawaii, which was involved in the above-referenced LUC docket. present time frame for completion of Haseko (Hawaii), Inc.'s Pu'uhonua project, situated in This is in response to your request of March 22, 1996 for clarification regarding the

submission of subdivision plans to the County of Hawaii and the receipt of all government evaluating its options as to how to proceed with the project due to the depressed state of the real 1997. A copy of this timetable or schedule is attached to this letter as Exhibit "A". permits and approvals prior to actual construction of this project which extends until August, estate market. With this consideration in mind, Haseko has projected a timetable for the As stated in its annual report of March 15, 1996 to the LUC, Haseko is presently re-

have been completed. on modified plans for this project and will furnish the LUC with copies of those plans once they change of zone ordinance to make the Pu'uhonua project workable. Haseko is presently working housing conditions imposed by the LUC in the subject docket and by the County of Hawaii in its experimental housing project. Also, Haseko may seek amendments to the existing affordable the construction. Thus, Haseko may develop this project as a planned unit development or as an for its project which would reduce infrastructure costs and achieve more efficiency in phasing of The remaining permitting for this project is contingent upon Haseko developing a plan
