LAND USE COMMISSION
STATE OF HAWAII

This letter is to inform you that the Planning Department has reviewed the Site Restoration and Revegetation Plan dated July 11, 2017 and revised September 26, 2017 to include the entire 85.338-acre permit area. The Planning Department consulted with Kamehameha Schools, the County Department of Public Works (DPW) and Natural Resources Conservation Service. Kamehameha Schools determined that the Plan meets the requirements of their License Agreement with Jas. W. Glover, Ltd. The DPW requires that the proposed berms do not alter the general drainage pattern with respect to abutting properties. Their comments are enclosed.

The Plan is approved, thus Condition 4 of the Special Permit is satisfied.

If you have any questions, please feel free to contact Maija Jackson of this office at 961-8159 or Maija.Jackson@hawaiicounty.gov.

Sincerely,

RM
