As a long time resident of Kauai's Eastside and third generation kamaaina, I want to make it clear that I and my ohana strenuously object to the Hokua Place development. Is it necessary for me to restate the obvious? The Kapaa Crawl traffic congestion will be made much, much worse by this development. Eastside residents and N Shore commuters are already facing gridlock conditions! The addition of Coco Palms and the other recently approved Eastside resorts will already make our very bad traffic situation worse. To approve Hokua Place in addition, represents irresponsibility at its worse. Wake up.
