State of Hawai'i Land Use Commission  
Department of Business, Economic Development & Tourism  
P.O. Box 2359  
Honolulu, Hawai'i 96804-2359

Aloha Honorable Commissioners:

**RE: MAUI LANI NEIGHBORS, INC.'S PETITION FOR DECLATORY ORDER CONCERNING THE CENTRAL MAUI REGIONAL SPORTS COMPLEX, LOCATED OFF OF KŪIHELANI HIGHWAY, WAIKAPŪ, WAILUKU, MAUI, HAWAI'I; TMK: (2) 3-8-007:101 (DR14-15)**

According to the National Recreation Park Association's recommendations for park acreage per capita, the County of Maui should have approximately 3,000 acres of developed parks. According to the County's Department of Parks and Recreation, Maui County presently has approximately 1,550 acres of park space in its inventory<sup>1</sup>—representing approximately half the amount of acreage suggested to truly impact its citizens' health and wellness, and overall quality of life.

In support of the State of Hawai'i's continued development of the Central Maui Regional Sports Complex, I hereby formally submit a 769 signature petition (Attachment "A"), and 146 comments (Attachment "B") from those same petitioners, who stated "why this is important" for Maui County.

Mahalo Nui for this opportunity give confidence to this development. Feel free to contact me at [vern@hawaiisoccerfederation.org](mailto:vern@hawaiisoccerfederation.org) or (808) 442-2937, should you have any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Vernon Kapua'ala", written over a thin horizontal line.

VERNON KAPUA'ALA  
President

24	said bakrim	honolulu	HI	96815	United States	4/9/2014	cause i love outdoors sport and we need it for our new generations to come
25	Ryan Hardwick	clackamas	OR	97015	United States	4/9/2014	As a state coach for soccer, we often scramble to find field space when we do training for our Maui Players. Having a complex where we can have the kids play on a better surface will allow us train them to compete with the higher competition from other regions of the US.
26	Melia Johnson	Wailuku	HI	96793	United States	4/9/2014	Maui County lacks facilities for our youth to be able to play and participate in athletic activities. Far to often it is a struggle for teams to practice due to no field or no gym.
27	Gabe Rood	Napa	CA	94558	United States	4/9/2014	I work for a national soccer organization that supports clubs on Maui. We need fields to continue to help the children and soccer clubs in Maui.
28	Matthew Snyder	Wailuku	HI	96793	United States	4/9/2014	This is important to me because I believe Maui youth need more outdoor physical activity, whether it be organized sports or just for fun to get exercise.
29	Adam Kenagy	Kihei	HI	96753	United States	4/9/2014	Reducing over usage of current inadequate fields is badly needed. There are more sports today then ever before and with more growth in the very near future. Maui needs to grow proportionately with its call and demand for these recreational events with more facilities.
30	Nancy Sulenta	Pukalani	HI	96768	United States	4/9/2014	Our community needs this. Good for all ages, from youth to seniors
31	Rene Haynes	Haiku	HI	96708	United States	4/9/2014	We need to have a place for Maui people to have a place to exercise and play organized sports

33	Mae Duquette	Makawao	HI	96768	United States	4/9/2014	It's improtant to me because my daughter's a very active soccer player and you could say its her life. She loves it with a passion. 34	Gary Aplanalp	Kahului	HI	96732	United States	4/9/2014	Important to me because I and my family are sports minded and in need of more places to play
35	Shahlia Wainui	Kahului	HI	96732	United States	4/9/2014	My son plays baseball and there is a shortage of fields kids can practice on. Many times during games there isn't enough parking or seating for families to enjoy watching their children play.
36	Veia Swartz	Kihei	HI	96753	United States	4/9/2014	Community Parks provide safe havens for our keiki and their families, to enjoy sports, exercise and other community programs
37	Bob Drayer	Makawao	HI	96768	United States	4/9/2014	I can't believe that anyone would be opposed to such a great thing for our kids. Been coaching various sports here for 40 yrs. Our population has doubled if not more in that time, yet we have very few new parks. We need this badly.

38	Darice Garcia	Lahaina	HI	96761	United States	4/9/2014	So many of our kids wants to be able to compete against Oahu and the Mainland who play their selected sports year round. A lot of these kids get picked up by colleges because they play year round and can perfect their playing. Our kids of Maui needs these parks to have more access so all sports can have an equal amount of time practicing. As of today we are all fighting for practice fields. This shouldn't be happening. We need these parks!
39	Bridgette Okamoto	Kahului	HI	96732	United States	4/9/2014	I live in the Maui Lani community and my kids do sports. We need this!
40	Anna Marie Later	Wailuku	HI	96793	United States	4/9/2014	Its important to provide a positive place for our community to focus on promoting exercise, team building, and community bonding for both our children and ourselves.
41	Kim Joaquin	Kahului	HI	96732	United States	4/9/2014	This is essential for the children of Maui!
42	Michele Souza	Wailuku	HI	96793	United States	4/9/2014	For the future of our keiki and adult sports....health!
43	Kentrie Cantero	Wailuku	HI	96793	United States	4/9/2014	Its for a HEALTHIER MAUI. I believe Fields like this should be built before houses are developed. They can build homes around parks. Think about it.
44	Jeff Varner	Kihei	HI	96753	United States	4/9/2014	Athletics promotes health, well-being, and success in life.
45	Momi Kaikala	Makawao	HI	96768	United States	4/9/2014	I'm an adult league soccer player and we've been having problems getting field permits for years for our women's & co-ed soccer leagues. We in desperate need of additional fields.
46	Michelle Becker	Lahaina	HI	96761	United States	4/9/2014	My kids love of soccer and sports
47	Barry Takahashi	Wailuku	HI	96793	United States	4/9/2014	If this project isn't built as planned, we are doing a great disservice to our youth and our community's health. These fields are classrooms for the programs guiding tomorrow's leaders. To the challengers of the park - due process has been followed - consider being a part of the solution; it could be great for your health as well.
48	Sherron Akina	haiku	HI	96708	United States	4/9/2014	As a parent of 2 growing children, sports is the only way to keep these 2 occupied. I'd much rather take my kids to the park than to have them on the couch playing video games or watching T.V. This park would serve our children immensely. Commercials on the radio and T.V. are always pushing parents and kids to get active.. This is the solution.

49	Grace Batulayan-Cadorna	Wailuku	HI	96793	United States	4/9/2014	This is important to me because the community needs more soccer fields for kids. Education is important which is why a new school was built. Athletics is also important which is why we need more fields. Me myself being an athlete, and playing for soccer teams, its really difficult to find practice fields! Some kids rely on sports to give them a chance to get to college, its a positive reason to! It makes my generation think about their future and this Park would be an amazing way for us kids and our family to bond and excursive and decrease the obeasity percentige by so much. Therefore do NOT do away with the idea to make a Park in the Kahului Industrial area.
50	Grace Batulayan-Cadorna	Wailuku	HI	96793	United States	4/9/2014	Its a positive reason to get kids outside. More space for people to do what they love without any restrictions.
51	Josh DeSilva	Haiku	HI	96708	United States	4/9/2014	More parks and less home development in this area makes sense.
52	EARL SUZUKI	WAILUKU	HI	96793	United States	4/9/2014	WE DO NEED YOUTH PLAYING FIELD IT'S GETTING TO CRAMP
53	CarmeLynne Tan	Honolulu	HI	96826	United States	4/9/2014	Current sports venues are out-dated for the current and future population growth of the island. It is sorely needed.
54	Jason Fernandez	Wailuku	HI	96793	United States	4/9/2014	This park would be very important for the next generation youths that play sports. In the past years if seen so much crowding on one single park where there is baseball, football, and soccer nearly running into one another. Maui's population is growing and so should the park space.
55	Morrallace Falcam	Haiku	HI	96708	United States	4/9/2014	because there is not enough fields on Maui
56	Jo-Ann Ridao	Wailuku,	HI	96793	United States	4/9/2014	Maui County is in desperate need of fields for our athletes. These youth are sometimes practicing under dangerous conditions.
57	THOMAS COOLEY	WAILUKU	HI	96793	United States	4/9/2014	cOACHING YOUTH ON MAUI FOR ALMOST 20 YEARS IN VARIOUS SPORTS I SEE HOW MUCH SPORTS HELPS SHAPES YOUTHS LIVES AND WE ARE VERY SHORT ON FIELDS ON MAUI BUT DO HAVE PLENTY HOUSING.
58	Jon Viela	Wailuku	HI	96793	United States	4/9/2014	We are in desperate need of more fields to accomodate the vast amount o teams and athletes. This Regional Park will not only fulfill this need but also create more opportunity for the residents to get out and exercise.
59	mary trotto	kihei	HI	96753`	United States	4/9/2014	There is nothing more important than the preserving of open space and providing recreational opportunities for our local residents.
60	Vicki Soo Hoo	Kula	HI	96790	United States	4/9/2014	Although we live in Kula, our children have always participated in sports in Central Maui since we work in Kihei. Central Maui location for a regional park is needed as it services more families because of location to work and home.

65	Frances Kalaola	Hana	HI	96713	United States	4/9/2014	We owe our children the best that we can including having enough parks to practice their games! They are the ones who get hurt the most when adults don't make the choices or decisions of what is most important in our children's lives. Unacceptable behavior!!!!

67	Fred Losano	Kahului	HI	96733	United States	4/9/2014	Maui needs a first class Park. Either that or spend the \$\$ to fix up Keopulani Park. Also, can use this new park for the HHSAA Cross Country Championships like they do at the Patsy Mink C.O.R.E.

69	Roxanne Morton	Kahului	HI	96732	United States	4/9/2014	My daughter plays softball and through the years we have had our own club team. We found very hard to get a park to practice at with all the teams on the island. In intermediate they could practice at 6:00 p.m. at Keopulani Park, only after high school was done practicing. That was very late with home work and family time.

72	BJ Medeiros	Wailuku	HI	96793	United States	4/10/2014	Maui Is in desperate need of more athletic fields for our youths and members of the community to use. the reason why the soccer fields are run down and overused is because its not only used for soccer and theres way more soccer teams today than theres was a few years back. the 65- acre Central Maui Regional Park will benefit everyone in the community. Its healthy living and healthy practice for youths all the way up to our seniors.
73	Dave Jorgensen	Wailuku	HI	96793	United States	4/10/2014	There are simply not enough sports fields on Maui and the land where the proposed fields would go is perfect for a new complex.

It has been proven, that through physical fitness children are able to develope motor skills faster, coordination and have an easier time focusing during school.classes. World class feilds that focus on all sports will help as the back bone for supporting the youth of today, whom are our leaders of tomorrow!

79	Belden Bautista	Kahului	HI	96732	United States	4/10/2014	I live in the legends and I support this project 100%. Our current fields are over used and scarce for all participating sports. The noise and traffic the opponents are worried about will not be a big impact as they think. With the prevailing trade winds the noise in most instances will travel towards Maalaea and not towards our homes. Lights will be facing away from the neighborhoods.. Can't wait for it to be built.

Additional parks allow access for more youth to participate. The Westside of Maui needs additional fields as well.
83	Steven Thobe	Paia	HI	96779	United States	4/10/2014	Baseball is a huge part of living on Maui. It is our nations pastime and our kids deserve a proper place to learn the game. Maui is lacking baseball fields that are user friendly. This would improve those chances of those who wish to play at the next level.
84	Jeff Tice	Wailuku	HI	96793	United States	4/10/2014	Maui is in desperate need of more athletic fields. Modern lighting does not bother nearby neighborhoods with light pollution, the noise generated to existing neighbors is also negligible. My only complaint is that four soccer fields to nine baseball/softball fields follows the current Maui county ratio of field construction and isn't reflecting the popularity and growth for soccer. However, fields for all sports are in need of development, so any development is appreciated.
85	Denton Johnson	Lahaina	HI	96761	United States	4/10/2014	Kids often have to share practice fields or practice in unsafe areas. New fields give everyone a safe place to practice.

87	Dennison Doi	Haiku	HI	96708	United States	4/10/2014	Lack of ball fields has always been one of my concerns. This complex will help but I can see that there will be a lack of nearby parking for any tournaments to be held
88	Martin Hill	Kahului	HI	96732	United States	4/10/2014	our growing island needs more facilities, so our youth and adults can get regular excercise and have fun and relax from the tensions of every day life living here in Hawaii. People who are against such a development is not sports minded people an all they think about is their convinience or inconvinience that they face. Thet represent the minority and should no try to change our ways of life.,We not only need this facility, but we need more of them throughout MAUI, Thanks Shan, GOOD JOB...
89	Raymon Ledesma	Kahului	HI	96732	United States	4/10/2014	They should make this park because maui has a lot of athletes. Having more parks will help spread things out. Driving around, you see at least 2 teams using 1 field. There are many teams that have to share a field because we are so limited to fields. Having more fields will have the chance to make more teams and let more kids play sports. Sports are what give kids something to go for, something to do, something to make friends, something to keep them from getting obese. We have so much land and just keep building houses, but in fact we need more fields for sports. More and more people are coming to maui, we need more fields so kids can go out and play sports. Give them something that could change their lives and keep them out of trouble. Sports have definately turned my life around. Sports stopped me from doing the wrong things and kept me out of trouble. Sports gave me a dream to go for!
