When viewing comments today about HOKUA PLACE I did not see my 12-28-2014 testimony, and I am resending it with concern that possibly other comments haven’t been included as well. I was against this project on 12-28-2014 and continue to opposed it 100% without adequate infrastructure in place first.

I am asking for a response from you as to why my 12-28-14 testimony was not placed in the record.

Mahalo, Valerie Weiss
situation intolerable.

Additionally the area already has several multiunit resorts approved which will be adding to the horrendous traffic problem. They, however, are actually in designated urban/resort areas and not requiring a loss of ag lands or change of designation.

A comment about affordable housing; There are other far less congested places for that. Our county could also entertain the possibility of purchasing and rehabbing existing properties to that end and to the betterment of our communities/neighborhoods and a positive improvement to urban blight.

A final comment about the developer saying he worked hard to buy this property; He bought the properties at ag land prices, not urban, and it needs to stay ag just as it was when he bought the parcels.

Mahalo.
