Dear Chairperson McDonald:

SUBJECT: Special Use Permit Application No. 2014/SUP-3
Waiawa PV, LLC

2015 FEB 13 P 1:49
LAND USE COMMISSION
STATE OF HAWAII

The Department of Planning and Permitting (DPP) sent a letter dated January 26, 2015 to the State Land Use Commission which transmitted the Planning Commission's (PC) Findings of Fact, Conclusions of Law, and Decision and Order concerning the application of Waiawa PV, LLC. The DPP is submitting the following two documents that were unintentionally omitted from the compact discs, but were included in the hard copy set of the record:

- Exhibit 14, comment letter from the State Public Utilities Commission, and
- Exhibit 21, letter from Carlsmith Ball, LLP notifying the PC of their intent to file additional exhibits and other materials to the PC and letter to the DPP requesting consideration in changing the time frame of operation for the project.

Enclosed are a revised Index of the Record and the two exhibits (compact disc and hard copy). If you or your staff have any questions, please contact Raymond Young of our staff at 768-8049.

Very truly yours,

A handwritten signature in cursive script that reads "George I. Atta".
