☐ Mailed  ☑ Hand Delivered  ☐
Dear Mr. Orodenker:

On behalf of Makila Land Co., LLC, and pursuant to HAR § 15-15-40, enclosed are two copies of the revised Table of Contents for the Petition. We respectfully ask the Commission to replace the Table of Contents in the two filed copies with these. We apologize for any inconvenience this may cause. Please be assured, all the interested parties' file-stamped copies that were mailed and delivered on Friday, 9/11/15, contained the corrected Table of Contents.

Also enclosed is a cd which contains filed copies of the Petition (with the corrected Table of Contents), with all Exhibits, and the Motion.

Please feel free to contact me directly at (808) 523-2557, or my secretary Jeannie Hirabara at (808) 523-2683, if you have any questions or concerns.

Thank you.

   Determining the Boundaries of the Rural District ...................................................... 22
   1. HAR § 15-15-21(1): Areas consisting of small farms; provided that the areas need
      not be included in this district if their inclusion will alter the general characteristics
      of the areas; ........................................................................................................... 23
   2. HAR § 15-15-21(2): Activities or uses as characterized by low-density residential
      lots of not less than one-half acre and a density of not more than one single family
      dwelling per one-half acre in areas where "city-like" concentrations of people, structures,
      streets, and urban levels of services are absent, and where small farms are
      intermixed with the low-density residential lots; ................................................. 23
   3. HAR § 15-15-21(3): It may also include parcels of land which are
      surrounded by, or contiguous to this district, and are not suited to

5. HAR § 15-15-18(3): It shall include lands with satisfactory
topography, drainage, and reasonably free from the danger of any
flood, tsunami, unstable soil condition, and other adverse
environmental effects;............................................................. 26

6. HAR § 15-15-18(4): Land contiguous with existing urban areas
shall be given more consideration than non-contiguous land, and
particularly when indicated for future urban use on state or county
general plans; ............................................................. 27

7. HAR § 15-15-18(5): It shall include lands in appropriate locations
for new urban concentrations and shall give consideration to areas
of urban growth as shown on the state and county general plans; ... 27

8. HAR § 15-15-18(6): It may include lands which do not conform to
the standards in paragraphs (1) to (5) [of HAR § 15-15-18]: (A)
When surrounded by or adjacent to existing urban development;
and (B) Only when those lands represent a minor portion of this
district; .............................................................................. 27

9. HAR § 15-15-18(7): It shall not include lands, the urbanization of
which will contribute toward scattered spot urban development,
necessitating unreasonable investment in public infrastructure or
support services; .......................................................................... 28

10. HAR § 15-15-18(8): It may include lands with a general slope of
twenty per cent or more if the commission finds that those lands
are desirable and suitable for urban purposes and that the design
and construction controls, as adopted by any federal, state, or
county agency, are adequate to protect the public health, welfare
and safety, and the public's interests in the aesthetic quality of the
landscape .............................................................................. 28
