**REMARKS:**

The enclosed is provided for your review and comment. Upon completion of your review, we will make the necessary revisions to the DEIS and file the requested copies for transmittal to the Land Use Commission and Office of Environmental Quality Control with the appropriate forms.

Please note that the Maui County Council will begin review of the land use maps of the Maui Island Plan (MIP) soon and we would appreciate the filing of the DEIS with OEQC for publication in the February issue of the Environmental Notice. Timing of the DEIS is critical since until the DEIS is published, we are unable to release the document to the Maui County Council for their use in their deliberations on the MIP. Your accommodation of our request is appreciated. Thank you.

Please call me at (808) 244-2015 if you have any questions.
