RE: KPAC request for zoning conditions re: LUC docket A16-801

March 13, 2017

Dear Mr. Orodenker:

On behalf of the Advisory Board for KPAC (Kauai Performing Arts Center), a State of Hawaii Department of Education, for-credit middle and high school Learning Center program focused on the performing arts, I respectfully withdraw our January 31, 2017 request for zoning conditions.

Earlier today, KPAC and Kauai Community College, via Chancellor Helen Cox, executed a Memorandum of Understanding concerning KPAC's periodic use of KCC's performance room, which is currently being constructed.

Thank you,

/s/ Tracy Murakami
