Re: In the Matter of the Petition of University of Hawaii Community Colleges
To Amend the Agricultural Land Use District Boundary into the Urban District for
approximately 148.37 acres at Puhi, Lihue, Island of Kauai, State of Hawaii,
TMKs: 3-4-07:01, 02, 03 and 06; SLUC Docket A16-801

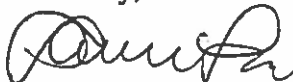

Dear Mr. Orodener:

I am counsel of record for the University of Hawaii Community Colleges, which is currently before the Land Use Commission in the above-referenced docket.

The current schedule calls for a deadline of April 20, 2017, to file and serve on all other parties the Petitioner's Proposed Findings of Fact, Conclusions of Law; and Decision and Order ("Proposed Findings"). As of this date I have not yet received the transcript of the proceedings, which is necessary to finalize the Proposed Findings.

Pursuant to Hawaii Administrative Rule Section 15-15-37, I respectfully request your permission to file the Proposed Findings by electronic mail. I further request that a file-stamped first page of the Proposed Findings be electronically transmitted to me at Laurel.Loo@hawaiiintel.net upon filing. Your approval will allow my office to file and serve on all parties by the deadline, as mail between Kauai and Oahu can take 2-3 days. This request also presumes I will receive the transcript in time to meet the deadline.

Sincerely,

LAUREL LOO
