Subject: RE: LUC Docket #A81-525; YO-LP; Motion for An Order Regarding Satisfaction of Affordable Housing Condition

Hello Mr Orodener!

The Hawai'i County Planning Department would like to join the Office of Planning's request for a thirty (30) day time extension, from the receipt of Petition's supplemental information, to file our response to the above-referenced Motion. A request has been made to both the County of Hawai'i Planning Department and Office of Housing to obtain a status report for the project. If our request is granted, we are confident that an updated response can be provided to the LUC within the requested time period.

Thank you very much for considering our request and we look forward to hearing from you.

Bill
