Intervenor Exhibit 1A: Kauai Satellite Photo

Intervenor Exhibit 1B: Hanapepe-Eleele-Numila Sat Photo

This is a detailed topographic map of the island of Kauai, Hawaii. The map shows the island's coastline, major roads, and various landmarks. Key features include:

- Na Pali Coast:** Located on the northwest side of the island, featuring steep cliffs and numerous inlets.
- Waimea Canyon State Park:** A large park in the center of the island, known for its dramatic red rock formations and the Waimea River.
- Hanalei:** A town on the north coast, situated in a valley. It is home to Hanalei Bay and the Hanalei River.
- Kilauea:** A town on the northeast side of the island, near the Kilauea Point Lighthouse.
- Waimea:** A town in the center of the island, near the Waimea Canyon.
- Koloa:** A town on the southeast side of the island, near the Koloa Beach.
- Lihue:** A town on the east side of the island, near the Lihue Airport.
- Geographical Features:** The map shows the island's topography, including mountains, valleys, and rivers. The Waimea River is a prominent feature, flowing through the center of the island.
- Inset Map:** A small inset map in the top left corner shows the location of Kauai within the Hawaiian Islands.

The map is a detailed topographic representation of Kauai, showing its diverse landscapes and key locations. It is a valuable resource for anyone planning a visit to the island.
