ARCHAEOLOGICAL, CULTURAL, AND HISTORICAL DOCUMENTATION SERVICES - SINCE 1982

COMPANY PROFILE  
RESUMES

Hallett H. Hammatt, Ph.D.  
**Principal / President**

## **Education:**

- 1976 Ph.D. - Anthropology, Washington State University
- 1967 M.A. - Archaeology (with Honors), University of Edinburgh, Scotland
- 1963 B.A. - History (with Honors), University of Pennsylvania

## **Qualifications:**

- Founded CSH in 1982, has been active in the field of archaeology and historic preservation for over 40 years, and has been at the forefront of shaping state historic preservation practices
- Consults on historic preservation matters with many government agencies and private companies and is widely experienced in handling multidisciplinary studies, large and complex projects including intensive surveys, data recovery and site protection, and interpretation
- Proficient in and conducts training on federal historic preservation regulations including Section 106 and NAGPRA and has presented testimony as an expert witness in Hawaiian archaeology at more than 30 public hearings and legal proceedings
- Successfully completed over 800 projects in the Hawaiian Islands
- 2012 recipient of 4th Annual Historic Hawai'i Foundation Frank Haines Award, given for a lifetime commitment to preserving the history of Hawai'i

## **Special Training, Honors, and Certifications:**

- Served, by Governor Appointment, on the State of Hawai'i Review Board of Historic Places for eight years
- HART's Safety/Environmental Orientation Training
- First Aid / CPR (Current)

## **Representative Experience:**

- Historic preservation services for Construction Sections 1, 2 3, and 4 for the Honolulu High-Capacity Transit Corridor Project, Island of O'ahu

Dr. Hammatt's involvement in the project included development of cultural resource management strategies designed to meet the needs of multiple interest groups. He was instrumental in effectively communicating with the community during the Section 4 AIS phase of the project.

- Historic preservation services for the Replacement of Various Bridges on the Islands of Hawai'i, Kaua'i, and O'ahu by the State of Hawai'i, Department of Transportation and the Federal Highway Administration/Central Federal Lands Highway Division

Dr. Hammatt serves as principal investigator for this project which has included cultural impact assessments, archaeological literature review studies and consultation with the State Historic Preservation Division on compliance requirements, archaeological inventory surveys, preparation of monitoring plans, and currently includes monitoring of ground disturbing work on the various bridges.

- Archaeological Observation for Replacing a Portion of a Former Wall Segment along the Hapa Road Trail, State Site 50-30-10-922, Kōloa Ahupua'a, Kōloa Moku, Kaua'i Island

Dr. Hammatt is a strong proponent of giving back to the community and performs a number of pro bono projects each year including this work for Mālama Kōloa on Kaua'i Island.

- Archaeological Inventory Survey, Kukui'ula Parcel A, Lāwai Ahupua'a, Kōloa District, Kaua'i Island

Dr. Hammatt has served for many years as principle investigator for various Kukui'ula Development Company projects. The project above is the most recent work CSH has conducted for this long-standing client.
