D.1 Photo Key Map

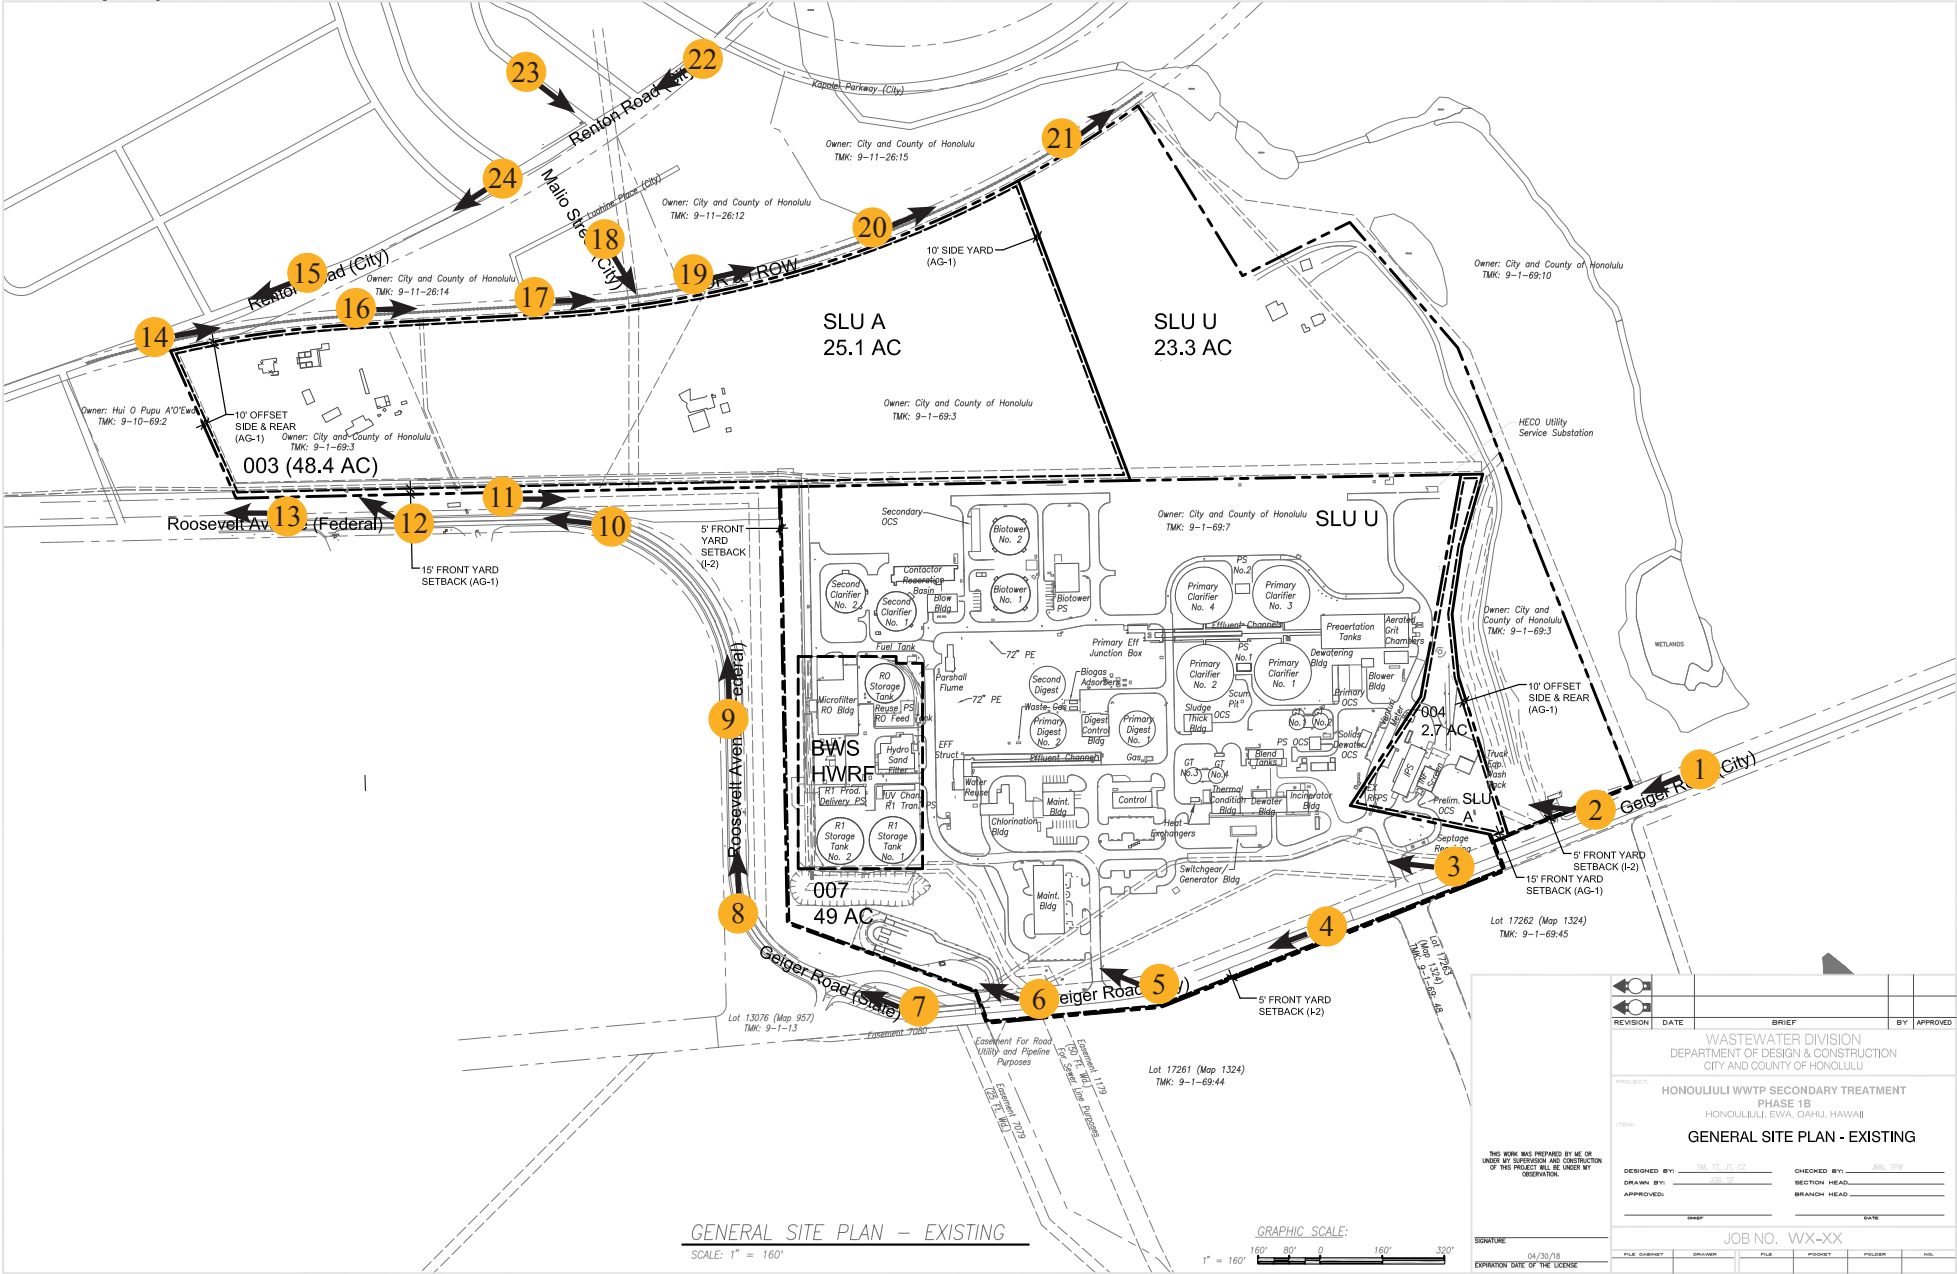

Three photo key maps are attached based on the **General Site Plan - Existing**, **General Phasing Map** and **Aerial Photograph**.

D.2 Photos

Ground-level photos are labeled and keyed to the attached photo key maps to show the following:

- Street access (ingress and egress) to the project site;
- Uses on adjoining properties; and
- Existing building setbacks from property lines, existing building structures and improvements, distances to neighboring buildings, parking areas, and other uses, on the site.
