Mr. Stanford S. Carr provided an orientation of the Petition Area and project layout from the Eha Street Extension and the County maintenance road located adjacent to Iao Stream. In his presentation, Mr. Carr utilized Petitioner's Exhibit 5, a conceptual subdivision layout of the proposed project. Mr. Carr also provided a historical background of the Petition Area to the attendees. Following this briefing, the attendees traveled onto the Lower Main Street and stopped at Puaala Place, where the attendees were provided with an overview of the Petition area from this site.

The field trip adjourned at approximately 9:50 a.m.
