Dear Mr. Tanoue,

Subject: Royal Kunia Agriculture Park
Offsite Infrastructure Development

In response to a request from the State Department of Agriculture Resource Management Division (HDOA) received by the Land Use Commission (LUC) on April 9, 2018, we are scheduling a status conference on May 24, 2018 to review and evaluate the progress of RP2 Ventures, LLC (RP2), as successor in interest to Canpartners IV Royal Kunia Property LLC, in fulfilling the obligations under Section IV, Decision and Order, Item A,1 of that certain LUC order filed January 28, 2015 ("Amended Order").

At this conference, HDOA's concerns about RP2's untimely implementation of the 2015 Amended Order and its impacts to the future development of the Royal Kunia Agricultural Park project will be heard and investigated; and the LUC will then consider whether any action is necessary.

Details of the meeting will be forthcoming. Should you have any questions on this matter, please contact Riley Hakoda at this office at 587-3824.

Sincerely,

Daniel Orodener
