DR18-62 KUALOA RANCH, INC.

Office of Planning's proposed revised condition.
See Page 8 of OP letter to Land Use Commission dated August 2, 2018.

Revised Condition.

Any Special Permit application or modification thereto for lands within or adjacent to the Petition Area shall be provided to the State Office of Planning and the Department of Agriculture for review and recommendations relative to impacts and consistency with the objectives and policies of Hawaii Revised Statutes Chapter 205, Part III Important Agricultural Lands.

Original condition with edits.

Any Special Permit application or modification thereto for lands within or adjacent to the Petition Area involving designated Important Agricultural Land areas shall be subject provided to the State Office of Planning and the Department of Agriculture for the review and approval recommendations by the State Office of Planning and the Department of Agriculture relative to impacts and consistency with the objectives and policies in Hawaii Revised Statutes, Chapter 205 Part III Important Agricultural Lands.
