Subject: HAWAIIAN MEMORIAL PARK CEMETARY EXPANSION PROJECT - SPECTRUM REVIEW AND COMMENT
Date: Monday, September 10, 2018 10:59:41 AM

Ronald,

We don't have any cables that are going into the Hawaiian Memorial Park Cemetery. This project will not impact us.

However, we have records of their underground telecomm infrastructures, to possibly feed them in the future, should they order service from us. Will these infrastructures be affected?

Thank You,
