LAND USE COMMISSION  
STATE OF HAWAII

2018 OCT 15 A 9:23

**RE: In the Matter of Emmanuel Lutheran Church of Maui; Docket No. A07-773**

Dear Mr. Scheuer:

At hearing on May 9, 2018, the Land Use Commission granted Intervenor status to Waikapu Development Venture LLC ("WDV") in the above referenced docket. The Commission also granted a six (6) month continuance to Emmanuel Lutheran Church of Maui ("ELC") on their request for an extension of time to complete their school/church project. One of the purposes of the extension was to allow WDV to process its HRS 201H affordable housing project with the County of Maui prior to requesting various permissions from the Commission.

The Commission ordered the parties to return for continued hearings within six (6) months and to provide timelines for their respective developments sixty (60) days prior to the continued hearings. The Commission granted the Chair authority to reasonably extend the hearing date.

Hearings on ELC's continued motion for an extension, and WDV's motions for authority to (1) purchase a portion of the petition area, (2) subdivide the petition area, (3) bifurcate its docket, and (4) to allow for its approved 201H project within the subdivided portion of the Petition Area are tentatively scheduled for hearing on November 15, 2018, just beyond the six (6) month time-frame.

On behalf of WDV, we respectfully request that you as Chair exercised your discretion to extend the six (6) month continued hearing deadline to accommodate the November 15, 2018 hearing schedule. Additionally, the requested time-line will be an exhibit to WDV's motion so we respectfully request that the condition that it be separately provided sixty (60) days prior to the continued hearing be waived. I anticipate filing the bulk of our motions, including the timeline exhibit, within a week of this letter.

I thank you for your consideration.
