Aloha-

As a 10 year resident and Realtor in Kapaa, I have seen lots of changes in the area and I beg you to reconsider approving the proposed land development project called Hokua Place in Kapaa. There is not enough infrastructure in place and these new homes will only benefit the developer. Please don't allow this project to go forward, it would not be in the best interest of the residents already living in the area.

Thank you-

Alison Neustein
