Dear Chair Jonathan Likeke Scheuer,

SUBJECT: DOCKET NO. A11-794 (KIHEI HIGH SCHOOL)

As the current and re-elected Maui County Councilmember serving the South Maui seat, Policy Board member of the Maui Metropolitan Planning Organization and a former member of the Hawai'i Board of Education, I am following up on community concerns regarding the crossing of Piilani Highway to access the new Kihei High School now under construction.

I have questions regarding the report, particularly about the sentence "*compliance with the terms and conditions, including the representations made to the Commission by the Petitioner, the State Department of Education*", specifically compliance with Condition 1(b), which addresses the issue of the grade separated crossing for pedestrians.

Because of widespread serious concerns about the future health and safety of our Kihei High School students, I request the LUC schedule a status conference, on Maui, for the Department of Education to brief the LUC on its compliance with this and related conditions and representations.

Mahalo nui loa for your consideration and attention to this urgent matter,

Handwritten signature of Kelly T. King in black ink.
