RE: Request to Withdraw Motion to Substitute Petitioner and Withdraw Land Use Commission Approval And to Revert Land Use District Boundary Classification to Agricultural Docket Number A02-737 In the Matter of the Petition of U of N Bencorp

Dear Ms. Agrahari and Mr. Hakoda:

Aloha! Thank you for your help on this matter. As you recommended, we spoke to Ms. Apuna and have received additional advice from others. Based on the information that they provided, we hereby formally withdraw our motion referenced above. We also respectfully request an opportunity to update the commission on the project to provide more background and information at the commission's next meeting scheduled for March 28, 2019 on the Big Island.

We apologize for any inconvenience that we may have caused in filing the motion and would instead request the opportunity to update the commission on efforts to comply with the conditions of approval established by the Commission in its Decision and Order. While much has happened with the University of the Nations, Kona/Youth with a Mission, Kona in the time since the Commission approved our petition for district boundary amendment, our commitment to missions and work with Christian youth and young adults remains resolute. It is our hope that we will be able to provide clarity as to our heart to not only serve our students and missionaries, but the community of Kona and the State of Hawai'i.

We look forward to our presentation before the Commission. Please do not hesitate to contact me at (808) 895-3774 should you require clarification or assistance. Thank you in advance for your assistance in this matter.

Sincerely,

Julie B. Anjo
