OF AN ENVIRONMENTAL IMPACT STATEMENT

On February 1, 2010, Maalaea Properties, LLC, a Hawai'i limited liability company, and Lodi Development, Inc., a California corporation (collectively "Petitioners"), filed Petitioners' (1) Motion To Withdraw Petition For Land Use District Boundary Amendment, And (2) Motion To Rescind Order Determining That The Land Use Commission Agrees To Be The Accepting Authority Pursuant To Chapter 343, Hawai'i Revised Statutes, And That The Proposed Action May Have A Significant Effect Upon The Environment To Warrant The Preparation Of An Environmental Impact Statement (collectively "Motion"), pursuant to section 15-15-70, Hawai'i Administrative Rules ("HAR").

In their Motion, Petitioners pointed out that because they sold the subject property and are no longer owners or developers of the subject property, and have no property interest in the subject property, they are requesting that (1) the State Land Use Commission ("Commission") rescind its written Order of June 28, 2006, in which the Commission agreed to be the accepting authority in this matter pursuant to chapter 343, Hawai'i Revised Statutes, and determined that the proposed action may have a significant effect on the environment to warrant the preparation of an environmental impact statement; and (2) Petitioners be allowed to dismiss the Petition without prejudice to the rights of the persons who have a property interest in the property to seek district boundary amendment reclassifications in the future.

On February 18, 2010, the Commission considered the Motion at its meeting in Honolulu, Hawai'i. James W. Geiger, Esq., appeared on behalf of Petitioners. Bryan C. Yee, Esq., and Abbey Mayer appeared on behalf of the State Office of Planning ("OP"). The County of Maui Department of Planning was apprised of this meeting but was not present or represented.

At the meeting, Mr. Geiger provided a presentation on the Motion. OP had no objections to the Motion. Following discussion, a motion was made and seconded to grant Petitioners' Motion. There being a vote tally of 5 ayes and 4 absent, the motion carried.

#### ORDER

This Commission, having duly considered Petitioners' Motion, and there being no objections from the parties in this proceeding, and a motion having been made at its meeting on February 18, 2010, in Honolulu, Hawai'i, and the motion having received the affirmative votes required by section 15-15-13, HAR, and there being good cause for the motion,

HEREBY ORDERS that Petitioners' Motion be GRANTED without prejudice. Accordingly, any person, other than the Petitioners in this docket, with a property interest in the subject property shall not be precluded by the provisions of

section 15-15-76, HAR, from filing a petition for district boundary amendment with this Commission.

Done at Honolulu, Hawai'i, this 11th, day of March, per motion  
on February 18, 2010.
