Dear Mr. Orodener:

**SUBJECT: 2019 ANNUAL REPORT OF HONUA'ULA PARTNERS, LLC
DOCKET NO. A93-689**

The Department of Planning (Department) has reviewed the 2019 Annual Report dated April 9, 2019, which provides an update to the last annual report submitted in 2014 relative to Condition No. 18. The report notes that although most of the conditions and their individual status has not changed significantly since the previous report, there have been significant achievements in the areas of archaeological analysis, preservation plan approvals, and improved land planning in the project as a result of those efforts.

The Department continues to Process a Project District Phase II application for the project. The application is on hold pending compliance with certain conditions imposed by Ordinance No. 3554 which must be complied with prior to action on the Project District Phase II application.

Should further clarification be necessary, please contact Current Planning Supervisor Ann Cua at ann.cua@mauicounty.gov or at (808) 270-7521.

Sincerely,
