Honolulu, HI 96813

Dear Mr. Ezer,

Subject: Distribution List verification for the Keālia Mauka Homesites Final Environmental Impact Statement (EIS)

The Office of Environmental Quality Control has received and reviewed the Distribution List updated on July 8, 2019 for the subject Final EIS, and hereby verifies the accuracy of that list. This verification pertains to the agencies and entities identified on the "Matrices for the Distribution of EIS Documents" found on our [website](#) and in our [2012 Guidance document](#); we can not verify the accuracy of other parties included on your Distribution List, who presumably are consulted parties or interested stakeholders in your process of developing this specific EIS.

Please ensure the distribution of a correct and complete copy of the Final EIS to the recipients by the date the item is published in *The Environmental Notice*, which is scheduled for July 23, 2019. In support of this distribution, the document may be found on our on-line library [by the publication date](#) at the following URL:

http://oeqc2.doh.hawaii.gov/EA_EIS_Library/2019-07-23-KA-FEIS-Kealia-Mauka-Homesites.pdf

Additionally, the State Library System has requested that hard copies of all EISs be sent to their Hawai'i Document Center, along with a link to the electronic copy. While we generally encourage the distribution of electronic copies, should any other recipients request hard copies, we suggest you honor such requests.

Please contact Tom Eisen of my staff if you have any further questions regarding this matter.

Sincerely,

Scott Glenn, Director
