RE: Request for Extension of Time to Respond to Petitioner's  
Motion for Modification and Time Extension, Filed July 24, 2019;  
Docket No. A87-610/Tom Gentry and Gentry-Pacific, Ltd.

Dear Mr. Orodener:

Pursuant to Section 15-15-42, Hawaii Administrative Rules (HAR), on behalf of the Office of Planning ("OP"), I respectfully request an extension for OP and the City and County of Honolulu ("City") to file its responses to Petitioner's Motion for Modification and Time Extension, filed July 24, 2019, ("Motion") for Docket No. A87-610. Consistent with the Land Use Commission staff's request via email, dated August 2, 2019, that Petitioner file the master plan no later than October 7, 2019, to allow the Parties sufficient time to review the Motion along with the master plan and schedule for development, I request that OP and the City be permitted to submit their responses no later than October 21, 2019.

This request for extension is to allow time for the Parties to consult with appropriate agencies on areas of concern that may be affected by the proposed Motion and the requested revised master plan and schedule for development. The extension would also provide Petitioner a month to review the Parties' responses.

Thank you for your consideration of this request.

Sincerely,

Dawn T. Apuna  
Deputy Attorney General
