Dear Mr. Mcfralin & Mr. Ige,

The Land Use Commission is seeking clarification on the following issues which were raised during the Status Hearing held in Maui on September 26, 2019.

1. Details of the scheduling and financing plan for completion of this project with conditions as currently written.
2. Provide all "Notice of Sales" as required per condition No. 11 and information for all owners related to the Petition Area.
3. Details of total acres sold from the Project District and proof that all deeds contain the Docket conditions.
4. Are these landowners considered "Petitioner"?
5. Are new owners aware of the Decision and Order conditions pertaining to the Petition Area?
6. All landowners or their representatives are required to submit annual reports as a part of conditions.
7. What is the proposed timeline and status for bifurcation?
